MEMORANDUM FOR THE RECORD

FROM : Chief, SB/2 Desk

SUBJECT: COVER, <sup>24</sup> [REDACTED] - GENERAL  
(Proposal for A&E Assessment of Potential  
REDSKIN Agent Candidates)  
#90682

1. Reference is made to my previous memorandum pertaining to the proposal to initiate a change of policy with respect to the processing of potential REDSKIN Agents.

2. As will be noted, it was initially recommended that potential REDSKIN Agent candidates be provided with an A&E assessment by CTR prior to disclosure of Agency interest in them and prior to the disclosure of any classified information. This assessment will be conducted utilizing a [REDACTED] <sup>24</sup> It was initially suggested that TSD's Psychological Assessment Associates firm now used by Dr. GITTINGER be used for this purpose. If the A&E assessment were favorable, Security would be requested to conduct a full investigation of the Subject and he would be subsequently contacted under alias CIA credentials. At that point, he would be requested to perform a mission for us and would be given requirements for same if he agreed to accept such assignment.

3. Attention is invited to the attached memorandum dated 8 February 1961. A copy of this memorandum was furnished to the writer with the verbal request that credit checks be conducted on all the staff A&E members mentioned. Prior to the initiation of credit checks, it was verbally agreed between the undersigned and Mr. Thomas STRANGE, CCG/NC, that no credit check would be conducted on Jacob GOLDER, in view of the fact that it was known the latter was recently surfaced as an Agency employee. The requested credit checks were completed on or about 16 February 1961 and the results verbally transmitted to Mr. Thomas STRANGE. *results are documented in individual file*

4. As of this date, CCG feels that they may have to establish another notional cover for this program. It is understood that this cover will be utilized in addition to utilizing the [REDACTED] <sup>24</sup>

[REDACTED] Pending a further request in this matter from CCG, no further action is contemplated.
