REF: MEXICO CITY 46000 (IN 1047459)

As you will note from Ref, the Mexico City Station was unable to locate LIONION-1 in Mexico and believes he may be in Spain. We are preparing a priority cable for the [REDACTED] which will give them the background and ask their assistance in locating him. We are not asking them to contact him at this time.

The Mexico Station also drew a blank on the whereabouts of Viola June COBB, AKA June COBB Sharp, and Henry P. Lopez. It will be noted that the Station carried out pretty thorough investigation, and there seems to be nothing to indicate either are now in Mexico.

On the assumption that Sharp and Lopez may be in the United States, we suggest that the HSCA be advised of the results of our unsuccessful efforts to locate them in Mexico. We believe that any efforts to Sharp, and Lopez, both of whom are U.S. persons, should be initiated by the HSCA rather than the Agency.

In order to assist the HSCA in their efforts, we have included what we have on their last known whereabouts in the U.S.

a) Viola June COBB Sharp was known to have been in New York City in 1968. We have no address there. As of about 1960, her father,
