✓ 7. (Unclassified - MDC) LIAISON Went to the House Select Committee on Assassinations to review security procedures with Office of Security representatives [redacted] and Bob Hayes as well as House Select Committee on Assassinations staffers. Procedures were reviewed and confirmed and the Committee was provided with the documents which they had requested, the same being stored in the manner prescribed by Rodger Gabrielson. After review of the material, it was discovered that some of the materials requested by the Committee were missing. I returned to Headquarters, picked up the new materials and delivered them to the Committee that night. They were grateful.

8. (Unclassified - RLB) LEGISLATION Spoke with the following persons regarding financial disclosure legislation: Ms. Sarah Luna and Mr. William Bergen, Legislative Assistants to Representative Romano Mazzoli (D., Ky.), and Mr. Gary Fay, Legislative Assistant to Representative Don Edwards (D., Calif.). (See Memorandum for the Record.)

9. (Unclassified - RLB) LEGISLATION Spoke with Susan Geiger, OMB, regarding the financial disclosure legislation. Ms. Geiger said that Mr. Cy Lazarus, who was heading the White House "team" on the legislation, would be talking with the Speaker of the House shortly. I told Ms. Geiger we had nothing new and were awaiting word from Representative Romano Mazzoli (D., Md.) as to whether he would be able to support compromise language which we had provided his staff several days ago. She suggested we check with Representative Don Edwards (D., Calif.) to see if he would propose our language as a compromise in response to the objections Congressman Mazzoli had already raised regarding the legislation. I told Ms. Geiger that Representative Edwards' Legislative Assistant, Mr. Gary Fay, had been present at the recent meeting we had with Representative Mazzoli's staff and that we certainly would consider her suggestion. Later in the day, Ms. Geiger called to inform us that the financial disclosure legislation had been pulled off the calendar because of controversy over the proposed amendment that would strike the existing limitation on outside income for Representatives.
