10. (Unclassified - PLC) LIAISON Together with Bruce Johnson, DDA, Dick Rininger, OGC, and Shep Shepanek, O/SA/DO/O, met with Gary Cornwell, Deputy Staff Chief, and Michael Goldsmith, staff of the House Select Committee on Assassinations, and discussed proposed revised procedures for the staff of the Committee to review CIA unsanitized documents. (See Memo for the Record.)

11. (Unclassified - JMD) LIAISON Called Jack Ticer, Clerk, Senate Armed Services Committee, and advised him that the Director will not have to leave the hearing early tomorrow after all, that he will be able to stay if the hearing goes to 1:00 p.m. or later. Ticer said they will not know until after the hearing gets well underway whether they will be able to wind it up at 1:00 p.m. or have to break and come back for an afternoon session.

12. (Unclassified - JMD) LIAISON Called Judy, in the office of Representative John Dingell (D., Mich.), and made an appointment for the Director to meet with Mr. Dingell at 1:15 p.m. tomorrow regarding the Congressman's letter of 20 January on NUMEC. I explained to Judy that the Director would be in a briefing on the Hill and that should end by 1:00 but that if I found he was going to be detained longer, I would let her know and we could change the time. She said this would be fine.

13. (Unclassified - JMD) LIAISON Phyliss Bacon, Senate Armed Services Committee staff, called and asked about the 5 January 1978 transcript of the Agency briefing of the Legislation Subcommittee. She said she had the transcript which is stamped Top Secret. She asked if we were to retain this transcript and also whether we had seen the transcript. I told her I was not sure on either of these points but I would check and get back to her. She said she also wanted to reaffirm that OLC has complete control of all the Committee transcripts of our briefings. I assured her they were retained in this Office and that no one was allowed to take them out of the Office unless Mr. Cary or Mr. Miller gave their permission. She said that was fine, and that she would put this in their "guidelines" which she is writing now.
