25. (Unclassified - DTC) LIAISON Professor G. Robert Blakey, Chief Counsel and Staff Director, House Select Committee on Assassinations, visited the Agency for meetings with OLC, OGC, and OS. (See Memo for the Record.)

26. ~~(Confidential)~~ - GLC) LIAISON Dropped by the office of Ralph Preston, House Appropriations Defense Subcommittee staff, and alerted him to the fact that the Director would be making courtesy calls on several members of the Defense Subcommittee tomorrow and I assumed that the Director would discuss the realignment of certain aspects of the intelligence structure in furtherance of Presidential Directive/NSC-17.

27. (Unclassified - THW) CONSTITUENT Craig Betancourt, in the office of Representative Fortney Stark (D., Calif.), called requesting information in order to answer a constituent with respect to questions related to the use of missionaries abroad in intelligence activities. I referred to the regulation on the use of missionaries and this seemed to satisfy the request.

28. (Confidential - THW) CONSTITUENT Burt Margolin, Administrative Assistant to Representative Henry A. Waxman (D., Calif.), called stating that a constituent and close friend of the Congressman, a Mr. Wittenberg, had called stating that persons purporting to be representatives of the CIA, on two separate occasions, had visited a Soviet emigre family living in his (Mr. Wittenberg's) house and wanted to insure that these persons did in fact represent the CIA. After checking with DCD, I told him that they were legitimate representatives and that the Agency was very much interested in being able to debrief the Soviets involved.
