ADDENDUM TO JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Thursday - 27 October 1977

1. (Secret - PG) LIAISON Together with ⁰² EA/JK. and John Walker, O/SA/DO/O, met with Michael J. Hershman, Deputy Staff Director, Subcommittee on International Organizations, House International Relations Committee, as scheduled. We covered Mr. Hershman's agenda completely and I had a private chat with him concerning the security situation in the Subcommittee. (See Memorandum for the Record.)
2. (Secret - PG) THIRD AGENCY Exchanged several telephone calls with Danny Coulson, FBI, concerning the current status of NUMEC in the Department of Justice. Mr. Coulson reported the situation in the FBI and referred me to a Department of Justice official for a status report. I thanked him for his assistance. Mr. Coulson also informed me that Mr. John Hotis had replaced Paul Daly, in the Office of Legislative Affairs, FBI. We made an arrangement for Mr. Hotis and Mr. Coulson to have lunch here on 10 November.
3. (Internal Use Only - PG) LIAISON Received a telephone call from Victor Kramer, Special Counsel, Senate Select Committee on Ethics, who indicated a desire to get back together promptly with regard to a Memorandum of Understanding and Nondisclosure Agreement. I offered to see him on the morning of 28 October and he was pleased.
4. (Secret - PG) THIRD AGENCY At the suggestion of Danny Coulson, FBI, I telephoned Erich Richard, of the Justice Department, to inquire as to any investigation the Department of Justice might have underway concerning NUMEC. Mr. Richard advised me that it is his understanding that NUMEC is still an "open case."
5. (Confidential - DTC) LIAISON Talked to Professor G. Robert Blakey, Chief Counsel and Staff Director, House Select Committee on Assassinations, and William K. Triplet, of the staff, concerning the availability of certain DDO records which they wish to examine on 28 October.
