# The Black Vault

---

The image shows a close-up of a heavy, metallic vault door. The door is partially open, revealing a complex internal mechanism with multiple locking bolts and a central handle. A bright blue light emanates from the gap between the door and the frame, creating a strong glow and casting shadows on the surrounding metal. The overall aesthetic is industrial and mysterious.

The Black Vault is the largest online Freedom of Information Act (FOIA)  
document clearinghouse in the world. The research efforts here are  
responsible for the declassification of hundreds of thousands of pages  
released by the U.S. Government & Military.

Attached is the "final draft" of the script for the HSCA staff presentation on 15 September. Due some time ago it arrived this morning. We requested that all new sections and changes be marked, to facilitate this review (the earlier draft having been reviewed already). The notations in the margins are for this purpose.

It is requested that this be given priority attention. Please advise me as soon as you are ready for comment. Klein (the HSCA staffer handling this) had wanted our comments back by today, which the timing of receipt has interfered with, but we should do as well as possible.

Comments on Klein's "Final Draft" *by C/S& Dir. Mr. Matthews*

- p. 5 - Delete Murphy's name unless this already in public record
- p. 8-8A - Detailed description of Nosenko's treatment highly undesirable for effect it would have on future potential defectors. Would much prefer ~~this~~ be deleted if at all possible. More generalized description in first draft much preferable.
- p. 10 - Delete name Thomas Ryan
- p. 18 - Delete name of Thomas Ryan
- p. 25 - Delete name of Thomas Ryan in para 13. Substitute "the CIA officer who"
- p. 35 - Delete name David Murphy ~~xxxxx~~ unless already in public record
