MILITARY SERVICE Subj claims to have been a soldier in Sov Army during the war and saw action in Leningrad and Moscow - wounded six times. This is his first foreign assignment.	
PERSONAL INTERESTS When [Lohwater] showed subj photo of his children, subj became quite emotional and almost wept. Remarks that he and his wife have wanted to have children for past 6 yrs., but have had no success. Appeared pleasant to source, but after somewhat ruthless interview with some Finn mothers who were begging him to allow return of their sons from USSR, appeared quite stern. Source thought subj was hearted Comrie, although he admired the material accomplishments of US. Feels subj is very much a Sov Comrie and is not defensible. Very pleasant and liberal with good sense of humor.

1. [A] DINNER-20 said Subj's face was familiar to him; when given the name source said there was a Lt. Col. GALT in the MIA (now KGB). Source did not know which directorate he was in - might be technical section - but knew that he was a "fairly high boss." Source could not recall whether he had ever seen Subj so does not know if this is the same person.

2. Early Aug 57, Subj called on [VACCINE] and asked that [VACCINE] warn him in adv. of any US official who might be going from Finland & he would personally see to it that the man left quietly & immediately. [VACCINE] did in a very quiet manner. "Since when does a little little man of Finland pretend that he is so powerful as to remove officials from country from Finland if you are really that powerful, who are you & what are your offices here in Finland?" [VACCINE] started - did not answer the question. [VACCINE] asked Subj's question, interesting in view of [VACCINE] oper. Trying to determine date of chat.)

CONTACTS

1. Source invited to give lectures on math in USSR. Soon after receiving the invitation, he and wife were in bar of Helsinki restaurant when subj and fru RASKI, a Finn Communist, came up to his table and introduced themselves. Subj mentioned source's imminent trip to USSR. Subj told source to come to Sov Emb next day to meet the Cultural Attache, who could arrange to get source to USSR and back without cost. Source invited subj and RASKI to his home for dinner following evening. Subj accepted. Subj paid entire bill. When source went Sov Emb next day met Yuriy YEROMIN and subj, also SERGEYEV. V. invited himself to dinner with subj at source's home. Subj, YEROMIN and wife went to source's for dinner, bearing many presents. RASKI did not come. Subj told source "this RASKI is a swine." Felt that it necessary to see these Finn Comrades politically but that they cannot be trusted.

[PH] 1005 Jan 58 In mid-December, [VIA] ... the following which [V] passed to station. GLOB had recently complained to Johannes VIROLA ... that the Finn security police were not paying any attn to cases of British & American espionage in Finn, adding that the Soviets had info regarding Western espionage in Finn and would be glad to furnish it to the security police. GLOB said some of the western cases were old & some new. Did not elaborate. Source did not say what VIROLA's reply was to GLOB. [V] then said it would behoove AIS officers in Helsinki to be as careful as possible cause it quite possible security police would receive orders to keep their eyes sharply peeled for over involving Finnish citizens. Penetration briefed all senior COBALT people. ODUNIT man said he had read a warning few days earlier from a friendly Finnish officer that another ODUNIT officer had been seen too frequently driving a Volkswagen w/dipl plates around freight yards of Helsinki. (This was ODUNIT's energetic factory & freight car marking program.) The ODUNIT man said his family had noticed Finnish policemen on the beat outside his house had recently begun to go to phone booth & make a call every time the senior ODUNIT man left his house and drove towards town. Everyone took warning seriously. [V] to tell us any further developments. (over)

GOLUB, Gregory V.

28 Feb 58

Subject, Soviet Consul who replaced V. M. MARIYEV, closed the Helsinki Consular Corps, which had previously had no Sino-Soviet bloc representative, in the fall of 1957. Since the Consular Corps is not officially a "Western" body, the Corps had no valid reason to refuse his entry. As far as is known, no other Sino-Soviet bloc representatives have followed GOLUB into the Corps.

30 Dec 58

Costille, KUBARK, attended a Consular Corps luncheon on 10 Dec 58—during luncheon C. was introduced as new Vice-Consul from U.S.—after lunch GOLUB came directly up to Costille, introduced himself and asked C. to join him at his table for coffee and cognac. Subj was extremely friendly and proceeded to ask the usual PNC-1 type questions, such as Costille's home in States, how long he'd been in Finland, did he have a dipl title, etc. Subj mentioned that his wife was in the Sov Union and that he was living alone in his apt. Subj speaks no English so Finnish was used.

(Hqs comment: A photo came in w/this dispatch—Costille, GOLUB and 6 others. Photo sent to SR/2/3 for filing.)

Subj has phoned [ALPAINEN] twice for lunch since return. She not able go but intends accept next offer.

12 May 59

On 4 May Subj phoned Costille (KUBARK) for lunch that day. Most of the time was spent on polite conversation and no political topics were discussed. Subj asked C. about his home and family in the States and his vacation plans. Subj mentioned that he was not going to be able to take a vacation this summer as he had hoped when C. asked him why, he gave the reason that the Amb, whom Subj described as still being new and not quite sure of himself yet, had told him he wanted him to remain in Helsinki as he was the only person of officer rank in the Consular Section. (Comment: Maybe it's cause KHRUSHCHEV is coming to Helsinki this summer. Not once during the lunch did the subject mentioned in refs (C's trip to USSR and treatment accorded him) come up. (For any further comments see Finland chronos.)

Recently Subj has been making efforts to invite younger members of the Western embassies to lunch or to view Soviet movies playing at local soviet houses. Subj invited Howard B. [SPARK] asked for info on GOLUB & V. MARIYEV, saying that both Soviet officials have been in social contact w/mbrs of the [SPARK] Legation in Helsinki. This contact instigated by GOLUB was allegedly to inquire about [SPARK] immigration procedure. MARIYEV acted as C's interpreter throughout the mtg. [SPARK] has a trace in the files referring to GOLUB as Soviet Intell Officer acting as liaison man w/the Finnish Security Police.

On the evening of 10 Sept [Y] and wife were at [Y] home for dinner and could not resist the urge to bring in the [Y] Torreyson case. He had read the inter-american protest which had been prepared by one of his men and had subsequently talked to [Y] on [Y]'s initiative. [Y] had called him & invited him to lunch and had described the incident at the airport quite factually, but [Y] placed very little credence in the accuracy of the account. [Y] said that in view of the fact that the six American athletes were left behind to await visas, he could well understand that Torreyson had needed [Y] on the point of exaggeration. He does not believe that anything further will come of the case. Certainly the Ministry of Interior plans to forget about it unless a big protest comes from the Soviet Ambassador. [Y] told [Y] that [Y] had behaved stupidly in the whole affair and has been recalled to the Soviet Union. [Y] says he has already departed, and [Y] also stated that [Y] is a worried and upset man. Apparently the Soviets, or at least [Y], do not believe [Y]'s full story, and to [Y] [Y] had been speaking Finnish to Torreyson. [Y] thought it strange that [Y] who speaks Finnish well, should not use that language in speaking to Torreyson, who also has a fair command of Finnish.

22 May 59

On 21 May, VALIN⁰¹ was informed by GOLUB that he (G.) had been summoned to Leningrad for a mtg w/a repn of the Soviet Internal Security Police (presumably NVD). While there, GOLUB had been instructed to determine what security precaution the Police of Sweden, Norway and Denmark plan to take to insure the safety of KHRUSHCHEV during his August visit to the Scan countries. During the conversation, G. was very critical of his Soviet colleagues in Stoc, Oslo and Cope, for their failure to develop close relations w/repns of the Security Police of those countries. G. was worried not only about his own inability to develop the info requested, but also for the safety of K. during this trip. G. did not know for sure whether K. would visit Finland on this trip, but believed that if he did, it would occur after the visit to the other 3 countries, and that any visit to Finl would be purely unofficial.
