MEMORANDUM FOR: Director
Federal Bureau of Investigation

SUBJECT: Grigori Ye. GOLES

1. An official [redacted] source stated that, approximately in December 1957, a member of the [redacted] had luncheon with Subject, who has identified himself as Second Secretary and Chief of the Consular Section of the Soviet Embassy in Helsinki. At this meeting, Subject asked the Firm what the latter thought of the Colonel ABEK-Feino HAYHARIN case and whether the Firm had been able to ascertain if HAYHARIN had ever been in Finland. The Firm stated only that he had been following the press reports with interest and added that his organization had not been able to find any indication that HAYHARIN had been in Finland as claimed in the press. Upon hearing this answer, Subject commented that the entire case was clearly a provocative fabrication on the part of the Americans.

2. Subject arrived in Finland sometime around the end of 1955 and later replaced I. Y. SERGEEV, who was a known Soviet State Security officer. Subject also is suspected of being a Soviet State Security officer. On 22 September 1957, Subject went to Moscow, returning to Helsinki from there on 6 November 1957.

3. This is the second instance known to us in which a Soviet official has tried to explain away the ABEK case as an American provocation.

4. The above is for your information only and should not be passed to other agencies.
