DOCUMENTATION

LANGUAGES: Knows Finnish rather well. Appears to know some English words - see [OPFA] 3800 para 6
 Subj's Finnish noticeably weaker than SERGEYEV's (predecessor)
 Speaks only Russian and Finnish according to own statement (OPHA-2119)

PREVIOUS CAREER AND EDUCATION: Source said subj stated he had attended secondary school and the "Language Institute."
 Is a child psychologist (sic). Had served in Vienna, Warsaw, Budapest, Bucharest, Sophia.
 Subj stated he was a Col. in Sov Army during WW II and saw action in Leningrad and Moscow, Was wounded 6 times; Helsinki 1st foreign assignment.

PERSONALITY (Habits, use of money, hobbies, literature, vices):
 When [Lohwater] showed subj photo of his children, subj became quite emotional and almost wept. Remarked that he and his wife have wanted to have children for past 6 yrs., but have had no success. Appeared pleasant to source, but after somewhat ruthless interview with some Finnish mothers who were begging him to allow return of their sons from USSR, appeared quite stern. Source thought subj was hard Communist, although he admired the material accomplishments of US. Feels subj is very much a Soviet Communist and is not defectable. Very pleasant and jovial with good sense of humor.
 COSTILLE: subj is extremely congenial & likeable & enjoyed playing part of host.

1. Replaced Ivan SERGEYEV, known RIS.

2. Subj's face was familiar to source; when given the name source stated that there was a Lt. Col. of this last name in the MGB. Source did not know which directorate he was in - might be technical section - but knew that he was a fairly high boss. Source could not recall whether he had ever seen subj so does not know if this is the same person.

3. [redacted]

4. Mr. Costille (see contacts #8 & 9) caught Volodya ARTEMOV aka ANTONOV searching his hotel room in Moscow... How does subj figure in this?

CONTACTS

1. Source invited to give lectures on math in USSR. Soon after receiving the invitation, he and wife were in bar of Helsinki restaurant, when subj and fm RASKE, a Finn Comrie, came up to his table and introduced themselves. Subj mentioned source's imminent trip to USSR. Subj told source to come to Sov Emb next day to meet the Cultural Attache, who could arrange to get source to USSR and back without cost. Source invited subj and RASKE to his home for dinner following Sunday. Both accepted. SUBJ paid entire bill.

When source went Sov Emb next day met Yuriy VORONIN and subj, also SERGEYEV. V. invited himself to dinner with subj at source's home. Subj, VORONIN and wives went to source's for dinner, bearing many presents. RASKE did not come. Subj ~~said~~ told source "this RASKE is a swine." Felt that it necessary to use these Finn Comries politically but that they cannot be trusted.

2. Attended Consular Corps lunch on 10 Apr 57 and spoke to Columbian Consul.

3. Subj invited VACCINE/1 to lunch with him 21 Jan 58, & told him how much he knows about what goes on in Finland.

MISCELLANEOUS

1. Source believed Ivan Ye. SERGEYEV is subj's chief.

2. Subj is new Consul replacing Ivan SERGEYEV.

3. On 17 Dec 56 VACCINE/1 went to farewell lunch with SERGEYEV and subj.

4. Great sense of humor, very quick, very sharp and witty. Constantly refers to self as Ukrainian. Wears double breasted suits - Western style. Main sport is skiing. Strong powerful handshake, piercing artificial glances, is very excitable, flirtatious and the I-know-it-all type. Loves to eat and shakes his head from side to side when he talks. Conversation implies that he is well-educated and knowledgeable on dip business, Marxism and current events involving the USSR. His knowledge of life beyond USSR is meagre. Table manners are fair.

5. Subj left USSR by train 22/9/57
54-Subj 22 Sept 57 from Helsinki to Moscow by PR. [redacted] 577, 40-57

6. Subj has recently complained to Johannes Virolainen that the Finn Security police were not paying any attention to cases of British & American espionage in Finland, adding that the Sovs had info re Western espionage in Finland & would be glad to furnish that info to the security police. On 31 Dec 57 VARIATION/1 told [redacted] that subj had visited Minister of Interior Kiukas in latter's office & said Sovs have positive proof that the security police has Western contacts - but gave no hint as to what proof Sovs have.

Subj said that he was leaving for vacation (presumably in the Soviet Union) on the 25th of June. VACCINE/1 was to meet GOLUB one hour after we left him, that is, at 1500 hours.

2. VACCINE/1 said that Gregory Ye GOLUB had just called him and asked him to lunch, but since V/1 was seeing the undersigned, he had to postpone the meeting with GOLUB. GOLUB had said on the phone that he was leaving for vacation (presumably in the Soviet Union) on the 25th of June. VACCINE/1 was to meet GOLUB one hour after we left him, that is, at 1500 hours. When VACCINE/1 mentioned this, we suggested to him that he ask GOLUB about the executions in Hungary, but V/1 replied that the question is a little bit too delicate for him to put to GOLUB. Although we asked VACCINE/1 how long GOLUB would be gone, V/1 said he did not know but would try to find out. In reference to your mild concern regarding V/1's relations with GOLUB (CFSA 3548, 13 February 1958), we have occasionally suggested replies and comments designed to harass GOLUB, but almost without exception VACCINE/1 has turned them down as inappropriate, just as he did on the above suggestion re Hungary. We would say that VACCINE/1 is not quite the honest Abe that we have perhaps led Headquarters to believe in the past. He is deceiving in his apparent openness and frankness, but we have noticed that he is also capable of being quite clever and sly when the occasion demands. If we have given the impression that he is simple-minded, we would like to correct that impression. Any person that has managed to hold the job that he has for the second longest period of any man in the 40-year history of the VACCINE/1 organization has to have more than a simple cop's grasp of the job. By the way, we learned from VACCINE/1 that GOLUB is now and has been for some time an accredited Soviet consul.

5. Subj joined the Helsinki Consular Corps, which had previously had no Sino-Soviet bloc reps, in the fall of 1957. Since the Consular Corps is not specifically a "Western" body, the Corps had no valid reason to refuse him entry. As far as is known, no other Sino-Soviet Bloc reps had followed subj into the Corps.

6. VACCINE/1 told Bramley that he had read the interrogation report on RAPID-TORREYSON case and had subsequently talked to subj on subj's initiative. Subj had called him and invited him to lunch and they had met 4 Sept 58. ...Subj told VACCINE/1 that RAPID had behaved stupidly in the whole affair and has been recalled to the Soviet Union... Apparently the Soviets, or at least subj, do not believe VACCINE/1's full story...

7. On 30 Sept 58, VACCINE/1 said that subj had come to him some weeks ago (sic) with some NTS letters which had been mailed to Sov personnel in Hels, and subj asked V/1's help in investigating this matter. ...Subj told V/1 that he had warned "his people" to be very careful in Finland to do nothing stupid. What he meant by "his people" was not clear other than he means just Emb personnel. See report, attached, for tone of V/1-subj relationship; Subj asked V/1 to intercede w/Swedish authorities re letters mentioned above and V/1 promised to write about it; Subj tells V/1 tid-bits of info which otherwise would not be known; V/1 appears to know what he is doing & does not pass out info gratuitously & has assured [redacted] that he has never mentioned names - nor his relationship with even the Swedish security police. In latter case subj thinks that V/1's contacts w/Swedes are w/the police chief of Stoc.

10. See RIS #4 - Subj is obviously interested in Costille, knew he was going to the SU, so he unaccountably wanted more info info on Costille & wanted to find out if Costille had any other reason for going to the SU besides just touring. He will also prob receive a full report of the incident from Moscow. Subj phoned Costille once after his return for lunch, but Costille declined because of a previous engagement. Cost ille expects a phone call from subj again soon.

Subj said his wife returning to SU for 2 months & he glad to be rid of her because she "bothered" him & that now he could bring home whom he wanted. 19) Subj & Viktor F. CHALKOVSKIY have been cultivating young Finnish Foreign Office personnel as well as younger members of the Western Embassies, the usual routine of dining, wine & movies; the above Westerners are 28-33 years old and all bachelors (Bq comment: probably spotting & assessing).

20) Subj was Sov official who talked with 2 Sov escapees who were returned to the USSR by the Finns (FORSELL & TUPITSIN); escapees had asked to talk with a Sov official when informed they would be turned back to the USSR. (The conversation was not recorded).

22. Miscellaneous (cont) for processing

OPHA 3127 7. Subj has asked [VACCINE/1] to try stopping NTS literature sent to Sov officials from Sweden last Spring and told [VACCINE/1] on 21 Jan 58 that the mailings had stopped. [VACCINE/1] when queried by subj said he had talked to two persons in Sweden re this. Subj was profuse in his thanks & said that it is a great step for his career that he will be able to report to Moscow that he has enough influence with [VACCINE/1] to get a job like this taken care of... When subj was asked by [VACCINE/1] "Are you the highest intelligence office the SU has in Finland?" subj protested that his interests were purely diplomatic and that he had no other than normal consular duties. As an additional comment to the conversation on the NTS matter, subj appeared highly pleased and remarked that Moscow had recently told him that his reporting was far better than anything SERGEYEV had done.

15. Subj told Costille that he would not be able to take a summer vacation as he had hoped because the Arb had told him he wanted him to remain in Helsinki as he was the only person of officer rank in the Consular Section. Subj said that he had been enjoying himself very much in Finland, liked Finland and the Finns. He said that he was glad that he did not speak English as he would then prob be sent to England or the US, which in his opinion were too far from his home in the SU. Accdg to subj, this made travel home, as well as phone calls, too expensive. Subj said that he would like to be sent next to Moscow and that over three years was too long to be away from one's country.

22 May 1959

16. On 21 May 59, [FALINKA] was informed by subj that he had been summoned to Leningrad for a meeting with a representative of the Soviet Internal Security Police (presumably MVD). While there, subj. had been instructed to determine what security precautions the Police of Sweden, Norway and Denmark plan to take to insure the safety of KHRUSHCHEV during his August visit to the Scandinavian countries. During the conversation, subj was very critical of his Soviet colleagues in Stoc, Oslo, & Cope, for their failure to develop close relations with representatives of the Security Police of those countries. Subj was worried not only about his own inability to develop the information requested, but also for the safety of KHRUSHCHEV during this trip. Subj did not know for sure whether K. would visit Finland on this trip, but believed that if he did, it would occur after the visit to the other three countries, and that any visit to Finland would be purely unofficial.

17. Subj lives in a large sized apartment which is sparsely furnished with semi-modern and not particularly in good taste furnishings. No domestics seemed to be about. Subj invited [ASPAKKE/5] and [ASPAKKE/3] to dinner & subj's wife served meal. After dinner he showed Mickey Mouse & Donald Duck films & seemed to enjoy them tremendously. Subj stated that before his wife and he were married they had known each other for a long time and marriage just seemed to be the next step. He said that now he & his wife are "good pals", and he also mentioned that his wife, altho she liked Helsinki, did not like the weather which caused her a lot of sickness. When [ASPAKKE/5] said that the only thing for subj to do was to ask for a transfer as his wife's health is more important than his job, subj responded very quickly stating that she was wrong, that the job was certainly more important to him than his wife. Subj stated that he was an orphan and that the Communist system had given him everything. Subj indicated that he knew about [ASPAKKE/3]'s contact in the USSR with Yuriy KOLOVSKIY whom she had met in the Bolshoy Theater & who had promised to send her records. (note that [ASPAKKE/3] had never told anyone in Finland beside [KREAR] about this contact)...Subj discoursed at length re Communism - (see report attached). On 23 June subj phoned [ASPAKKE/5] to say that his wife was leaving for holidays in Moscow and that there was some man in Moscow she loved better than her husband.

(See contact # 17 re wife of subject)
