MEMORANDUM TO: Chief, Contact Division, (X)

Attention

[Redacted]

FROM : Chief, FI/Plans/Cover Division

0-67-107

SUBJECT : Alfonso R. WICK

~~32723~~ ~~32383~~

REFERENCE : Your memorandum dated 11 May 1954, ME-1265

1. Your interest in the Subject has been discussed with representatives of the foreign division. They report that Subject has been in periodic contact with field representatives to whom Subject reports any information of possible interest to this Agency.

2. The field station comments further,

This Mission foresees no strong obstacle or reason against subject's being contacted by WJWP again but feels that if subject had any information of possible interest to this organization he would immediately contact the writer. In addition, such a contact might possibly re-ignite subject's previously expressed feeling that at times it appeared that 'the left hand didn't know what the right hand was doing'. It is suggested that if WJWP has any specific type of information in mind, questions indicating the line of interest could be forwarded to this Mission and placed before subject for his comment. If WJWP particularly desires to interview subject it is suggested that this Mission be authorized to so inform subject so that the matter will appear completely coordinated in subject's mind.

3. It is further suggested that should it be necessary for you to debrief the Subject that such action be coordinated with Cover Division.

~~Alfonso R. Wickstrick (A-1204)~~

1. A representative of this Division recently contacted subject, a US manufacturer's representative, who lives in Mexico City. Wickstrick was visiting representatives of the ~~Agency~~ which is one of his accounts in Mexico City. After our representative made his standard explanation of Agency interests, Wickstrick said that he felt that he should have it clear that he worked for the Agency in Mexico. He qualified this statement by saying that his extensive background and experience in Mexico enabled him to set up meeting places and "front" offices as well as other "cover" projects for this Agency, the State Department and the Bureau.

2. He seemed quite candid and our representative had no reason to believe that he was not telling the truth. Wickstrick seemed that he could give us a great deal of information which was not available through official channels operating in Mexico. However, he seems to be generally knowledgeable on the situation there so we believe that he might be a source of some interesting information if our contacting him would not interfere with arrangements which the covert offices might have made with him.

3. We should appreciate your comments. If you prefer, we shall not see him again. On the other hand, if you have no objection, we should like to contact him when he returns to this country in July. Please advise.

REFERENCE: Your 27 April 1954 memorandum, Possible Contacts with FI Agents

1. LA Branch has asked that we check to determine what, if any, use the covert offices are making of subject. We have told Cover Division, our channel on matters relating to any sort of cover arrangement, that we should like to contact him again if such contact would not duplicate a covert office arrangement.

2. We shall let you know what we learn.
