*Barquind  
RAY Plan*

*Dec 60*

RAY and BARQUIN's plan to liberate the Isle of Pines is outlined in attached copy of MASH-1763 (45370), 21 Nov. 60; also attached are the referenced cables.

Subsequent to the above, UFOA-408, 1 Dec. 60 and MASH-1855 (47602) 25 Nov. 60 refer to a MNEMONIC CODE and maps of Isle of Pines (see attached) which would seem to indicate detailed reference necessary to carry out this plan.

The MNEMONIC CODE, hardly legible thermofax copy, makes no sense to either <sup>03</sup> [redacted] or <sup>03</sup> [redacted] of our TFW/Intell. If we ever received copies of the maps, they are not in the Task Force now. <sup>02</sup> [redacted] says that <sup>03</sup> [redacted] of ORR (X7362 or X 6310) ~~xxxxxxx~~ has Intel's old maps of the Isle of Pines for the purpose of making a study -- believe she has completed the study.
