<p>1. On 14 December 1970, the undersigned visited WUSHARP at the latter's request and had the following discussion. WUSHARP asked whether we could use WUSLAB/1 as a means of contacting Cuban officials for the purpose of establishing lines which could later be exploited by WUSHARP assets. I explained to WUSHARP that WUSLAB/1 had been instructed to adopt a passive role in relationship to his Cuban contacts, and to respond only to contact initiated by the Cubans. WUSHARP stated that they understand our point of view thoroughly.</p> <p>2. At this meeting I briefed WUSHARP on the telephone call from a DGI representative cited in reference. I told WUSHARP that I would give them a memorandum on this as well as a copy of the PCQ on Rogelio Rodriguez Lopez (201-332665) in which they expressed definite interest.</p> <p style="text-align: right;"><i>J. MEMORANDUM FOR: Director
Federal Bureau of Investigation

ATTENTION [REDACTED]

SUBJECT : Rogelio Rodriguez Lopez, Cuban
Intelligence Officer

1. Reference is made to your previous correspondence concerning Rogelio Rodriguez Lopez, First Secretary of the Cuban Mission to the United Nations (CMUN) and an officer of the Cuban General Directorate of Intelligence (DGI). Rodriguez is the CUIS Case Officer for [REDACTED] [REDACTED] now under investigation by the Bureau. Your most recent memorandum on Rodriguez and Miles was dated 26 January 1970.

2. On 30 January 1970, there was a liaison discussion about [REDACTED] Rodriguez at which time your representatives advised that your Bureau planned to interview [REDACTED] on an appropriate pretext, and that there were signs that [REDACTED] might be susceptible to "doubling". We recognize that the [REDACTED] Rodriguez case is an internal security responsibility of the Bureau but, to assist us in our efforts to assess Rodriguez as a DGI officer, it would be appreciated if you would provide us with the results of your interview with [REDACTED] as well as personality information about him that [REDACTED] may acquire in the future.

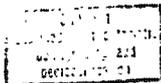

3. We would also like to have your comments about considering [REDACTED] as a potential penetration of the [REDACTED]. There is the possibility that [REDACTED] might be used to assist in approaching [REDACTED] if, for example, [REDACTED] has refused to cooperate as a double agent or later if internal security considerations warrant an approach to [REDACTED].

2. Production: WUSLAB/1 said that [Redacted] had phoned him at his home at about 1100 on 8 April. [Redacted] said that a friend had described to him an acquaintance who had had an eye problem similar to WUSLAB/1 (or words to that effect), and that Viera now realized the seriousness of the case and that WUSLAB/1 would not be able to travel. Viera said that the chances were now remote that he would be returning to [Redacted]. A friend of his named [Redacted] would contact WUSLAB/1. He did not say when or where, but it would be when circumstances permit. WUSLAB/1 asked if [Redacted] might be assigned to another foreign country. [Redacted] did not deign to answer this question.

3. I asked WUSLAB/1 what he considered the possibilities of recruiting [Redacted] were. He thought an important factor would be [Redacted] liking of comfort and security. He would not be motivated by money, but he did like good living. He also probably did not like living in [Redacted] and would not like to stay there for a very long period. W/1 thought that if [Redacted] came out to a country such as [Redacted] that contact with him could easily be developed. In the United States [Redacted] was on his guard. Also in the United States [Redacted] did not have high level contacts with the local government, whereas in other countries he would be expected to have such contacts. Some of those contacts might then be also in contact with U.S. officials and you could get a cross-check on [Redacted]. I told WUSLAB/1 that we would finish the PCQ form on [Redacted] the next time we get together.

3. However he had not talked with ALARYIN/A on this trip, the attached information is necessarily slim. Items of particular interest concern PENRO and the forthcoming outbreak in FAR activity, not only here but elsewhere.

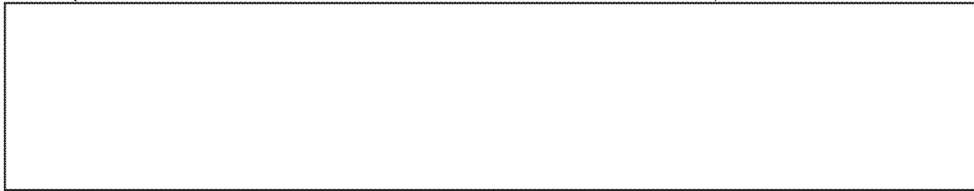

4. Re the attached information on [redacted] (801-200800) [redacted] told the writer that [redacted] contact within Random House (publishing firm) is one [redacted] (no further bio data available).

5. Re the attached information on [redacted] (801-200800), [redacted] and his "Temple friends", [redacted] told the writer that one known romantic involvement is one [redacted]

[redacted]

6. Re war-name "AGFD" per the attached sheet, FEGHAN believes that ALARYIN/A may be mistaken in the year "1960" was here as part of the [redacted] Delegation [redacted]

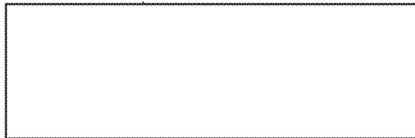

[redacted]

Other members of [redacted] we have been able to eliminate because they are either not [redacted] personnel and/or [redacted] know them sufficiently to rule out the possibility that they are identical with [redacted]. If the last name corresponds to the true name at all, then it would appear that the two most likely candidates for [redacted] are [redacted] and [redacted]. The letter was here [redacted] here [redacted] We lean toward [redacted].

7. Should addresses be able to shed any light on the true identity of "WZLO" we would be most interested. Even if this is not possible, presumably we will know eventually who he is should his assignment here materialize.

8. The attached sheets should be extracted to the appropriate 201 files. To facilitate this the 201 numbers are listed below:

7. Recruitment Targets. Subjectively, Source considers that the most vulnerable of the [redacted]

[redacted] because he likes the ladies and the material things in life; [redacted] because of his strained relationship with [redacted] and [redacted] because he is basically a good sort and a realistic person. As stated, this is subjective reasoning on Source's part.

8. Replacement Personnel. With [redacted] and [redacted] leaving soon, there is talk [redacted] about assigning one [redacted] here as a replacement for one or the other. [redacted] is a negro in his early 30s and has served in several African posts [redacted] (including Tanzania and Mozambique). [redacted] has been protected by [redacted] but is disliked by most MINREX types who know him. Source described [redacted] as a sly and suspicious person who would not hesitate to report on anyone, including his friends and neighbors. [redacted] is believed to have been deeply involved in various "wars of liberation" in Africa. [redacted] was originally under consideration as a replacement for [redacted] but it was finally decided to leave [redacted] here as there were advantages to his being a U.S. citizen.

Source also mentioned that one "AGEO" (a war name; real name not known to Source) was under consideration for assignment here. Source said that [redacted]

[redacted] This "AGEO" was in charge of the purge within MINREX in 1967 which resulted in the ouster of some 300 persons regarded as homosexuals, counter-revolutionaries, or incompetents.

Monthly Activities Report, July 1969

1. During July 1969 the writer continued in contact with AMBEDW/3. No intelligence information Report disseminations couriered to AMBEDW/1 were received from Headquarters during July, nor were any operational information squibs received. Results of the photos sent for identification by AMBEDW/1 via [redacted] 26 June, were not received by the end of July. Although AMBEDW/1 was "surfaced" on 16 July, the Base was not advised of the vehicle by Headquarters until 23 July, after the Base had queried via [redacted] 6372. Fortunately, AMBEDW/3 advised the Base of the media of surfacing prior to 23 July. The surfacing had minimal impact locally, as the vehicle chosen for the surfacing does not reach the local observer as would [redacted].

[redacted] With the turnover of AMBEDW/1 to [redacted] for resettlement, the case, for informational purposes, is closed.

2. [redacted] 6372 concerned the effort to [redacted]

[redacted] and the intent to [redacted]

Subsequently, [redacted] left [redacted] on 27 July; his wife already had returned [redacted] in June. Additionally, the following [redacted] will be [redacted] if any further illicit activities occur: [redacted]

3. Shortly before his departure [redacted] introduced on 9 June Base asset WUHABIT/1 to [redacted]. This turned out to be [redacted]. The three-
some lunched, and [redacted] did most of the talking, concentrating on [redacted].
[redacted] WUHABIT/1 did ascertain that [redacted] spoke fair and [redacted] volunteered that he had spont [redacted]

[redacted] In introducing [redacted] stressed that WUASIT/1 should feel free to discuss any subject with him, and in turn told [redacted] that he should call upon WUASIT/1 whenever [redacted] needed advice or help. While BVRCK traces did not reveal [redacted] for [redacted] the Base and local INERCO strongly suspect that [redacted] is [redacted]. His behavior in the future months will undoubtedly confirm or deny this.

4. The most noteworthy new arrival, [redacted] [redacted] has been lying dormant since his arrival in early June. He is living, presumably temporarily, [redacted] [redacted] also has been quiet since his June arrival.

5. [redacted] 3 July, transmitted a current listing of [redacted] to WH [redacted] for use in debriefing ANCARD/1 as to any knowledge or acquaintanceship with any of them. The writer and [redacted] of WH [redacted] discussed [redacted] on 1 July the possible move of ANCARD/1 to [redacted].

MEMORANDUM

TO : Chief of Base
FROM : [redacted]
SUBJECT: [redacted] Operational
Western Hemisphere Targets, Group II;
Monthly Activities Report, August 1969

Distribution:
1 - Unit A [redacted]
1 - Unit B [redacted]
1 - COM [redacted]

1. AMBEDER/1 arrived in the area for resettlement on 1 August 1969. Although [redacted] is handling the administrative aspects of the resettlement, the writer is staying in periodic contact with AMBEDER/1 and AMBEDER/3 for future operational purposes (e.g., debriefing AMBEDER/1 on [redacted] etc.). Results of the last batch of photographs forwarded by [redacted] 26 June, were received via DIRECTOR 25971 in early August.

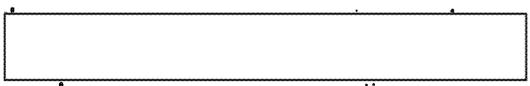

3. In mid-August LNERGO advised the writer that ANCLOCK/1 would be visiting the U.S. This was the first indication to RVROCK of his possible travel here this year.

4. On 30 August AMDELLAY/1 arrived in the area for resettlement.

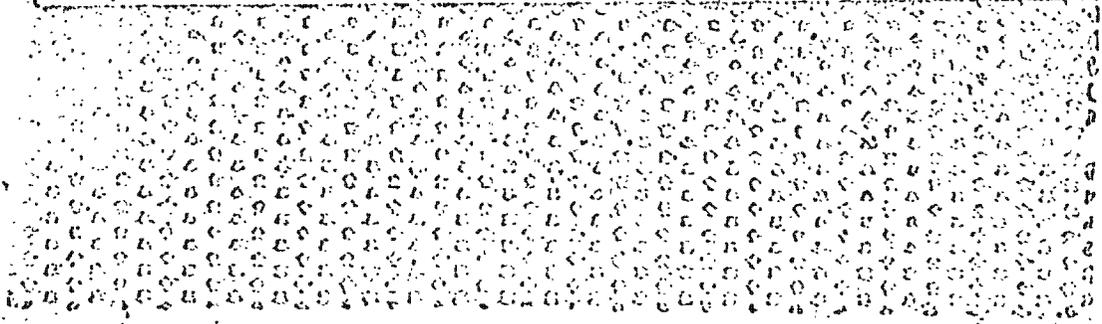

5. In late August the Base with local LNERGO monitored, for [redacted] the ANGAIT/1 matter involving [redacted]

[redacted] We were all in agreed opinion that [redacted] would not show up for the 28 August meeting as it had been laid on prior to the events cited in paragraph 2 above; we were correct as [redacted] did not appear. See [redacted] 6792 for background. It is likely that [redacted] will remain more [redacted] for a time because of the knocks taken [redacted] lately: [redacted]

[redacted]

G. In mid-September [redacted] will start arriving [redacted]. The first arrives on 11 September, the second 15 September, and the last on the 18th. Not surprisingly, the name of ANCURVE/1 (201-332971) is not among those coming. No doubt that he will be out for quite some time, if ever. The bulk of [redacted] have been here before [redacted]. The [redacted] side will be well represented by [redacted]. [redacted] the first two are well known to us [redacted]. [redacted] is well-known to us as [redacted].

1. Reference your telephone request of 24 June 1969 requesting a photograph of Eugelio RODRIGUEZ which is better than the one appearing in the Cuban Mugbook, it is believed that Subject of your request is Rogelio RODRIGUEZ Lopez, whose photograph is included in the Mugbook. There is no photograph of Eugelio RODRIGUEZ.
2. Forwarded herewith for your retention is a photograph of Rogelio *RODRIGUEZ Lopez, recently designated First Secretary, CMUN, who was scheduled to travel to New York via Mexico in early June 1969. Unfortunately, this photograph is little, if any, better than the one in the Cuban Mugbook. It is the only other photograph available at Headquarters.
3. AMBEDEW-1 has been shown and has positively identified the attached photo as Rogelio RODRIGUEZ Lopez, a DGI officer in Section III who was known to AMBEDEW-1 as "Rogelio." A-1 last saw Rogelio in Paris on 21 November 1968, at which time Rogelio was enroute to [redacted] on what A-1 thought to be an important mission. It appeared that someone in [redacted] could not leave until Rogelio arrived. A-1 understood that Rogelio had been in the UN Mission in New York, or in Canada, in 1964-65.
4. The above information may be passed to LNERGO.

Comrade [Redacted]

Several days ago we received a request from [Redacted] with reference to your need of a loan to pay some debts, which resulted from recent purchases made by you.

We are aware that your work requires certain commodities, such as a presentable house, capable of making persons, who you receive, feel comfortable in the atmosphere they are in.

Now, you should have analyzed your economic possibilities before incurring those debts. If you had done so you would have realized that these were not within your reach (budget), for which reason you would have turned to us, with the purpose of finding a solution to that problem.

We are instructing comrade Eulogio to make you a reasonable loan with which you can get out of your present debts.

In the future you should consult us and in particular present a plan to [Redacted] on any problem of that nature, with the confidence that it will be solved.

You should make us a report justifying the loan that you will get to pay the debts you have."
