TERMINATION AGREEMENT

The undersigned hereby acknowledges that a contractual relationship has heretofore existed between him and the Government of the United States of America (hereinafter referred to as "the Government"). The Government has fully and completely satisfied all of its obligations to the undersigned.

The undersigned on behalf of himself, his heirs, executors, administrators and assigns hereby releases and forever discharges the Government, its officers, agents and employees from any and all debts, claims, benefits or demands arising out of the above mentioned contractual relationship.

The undersigned fully understands and appreciates the fact that the prior relationship between the parties and all information and knowledge acquired in the course of said relationship (particularly with reference to persons and methods employed by the Government) are the property of said Government and constitute military secrets affecting its security. The undersigned knows and understands that these are protected by German Law under the provisions of Annex A to the Convention on Rights and Obligations of Foreign Forces in the Federal Republic of Germany.

The Government is highly appreciative of the excellent services heretofore rendered by the undersigned. However, to preserve the security above mentioned, it is further understood and agreed that both parties shall hereafter disavow that the relationship ever existed.

The undersigned further agrees he possesses no right, title or interest in any information or knowledge arising out of said relationship and he further solemnly swears that he will never divulge, publish or reveal by word, conduct or any other means the fact of said relationship nor any such knowledge or information arising therefrom except as authorized in writing by the same official of the Government as that who witnesses this oath.
