<p>02 1. On 2 April 1965, AMWHIP/1 reported to Paul K. STOCKWOOD that UNSAFU/19 had identified a <u>new diplomatic secretary at the Paris Cuban Embassy</u>. The individual's first name is <u>"Enrique, (Lnu, for the moment)</u>. AMWHIP/1 states that the individual is about 27-28 years of age, <u>about 5'6," rather stout in build and has dark skin "like that of a Hindu."</u></p> <p>2. Although the names reported in this dispatch and reference are not the same, perhaps they could be tied together as the one reported in reference could have been garbled in transcription. Until we have confirmed the identity of the two in question, we shall work under the assumption that there are, in fact, two people involved.</p>
