Mrs. Anna Tarasoff
2819 Gainesville Street, S. E., Apt. 202
Washington, D. C.

Dear Mrs. Tarasoff:

We wish to inform you that the preliminary processing of your application has been accomplished and that you may enter on duty immediately on a temporary basis at Grade GS-4, salary \$:415.00 per annum as Clerk.

Your temporary appointment will be subject to taking an oath of office, signing a loyalty affidavit, and completing a medical examination which will include determination of physical health and emotional stability. If you enter on duty based on this preliminary processing, you will be assigned to the Interim Assignment Section pending the completion of the full processing and a final security interview. The Interim Assignment Section is a "pool" where you will be doing clerical work of a routine nature. Should anything of an unfavorable nature arise during this period, your employment will not result in a permanent appointment; otherwise you then will be placed on duty in the position for which employed.

If you are interested in this temporary position please call Mrs. [redacted] on EXecutive 3-6115, extension 2781, as soon as possible to advise her of the exact date you will report. We would appreciate your selecting a Monday. You may prefer to await the completion of the full processing which will require about 60 to 90 more days. In any event we would appreciate your calling Mrs. [redacted] promptly and informing her of your plans. In the meantime, it is requested that you submit three passport-size photographs of yourself as soon as possible.

Please report to the Receptionist at Curle Hall at 8:15 a.m. and ask for Mrs. [redacted] on the reporting-for-duty date that you establish with this office. Curle Hall is located at the intersection of 23rd Street, Independence Avenue and Ohio Drive, S.W., with entrance on Ohio Drive.

Employees of this Agency are entitled to the regular United States Government leave and retirement benefits.

The gross salary quoted will be subject to deductions for Federal income tax and 6½ percent for the United States Civil Service Retirement Fund. In addition, the benefits of low-cost group life insurance are available to Federal civilian employees. The enclosed pamphlet outlines the features of the program and lists the amount which will be deducted from your salary each pay period for this term insurance. This insurance is not obligatory. However, if you do not wish coverage, which is automatic, you should sign a Waiver of Life Insurance Coverage form at the time you enter on duty.

You will not receive a pay check for approximately four weeks after you enter on duty.

If you have any problems, Mrs. will be glad to discuss them with you when you call.

Very truly yours,

G. M. Stewart
Director of Personnel

EVALUATION AND BACKGROUND DATA (Include education and work experience)			
<p>Mrs. Tarasoff is the wife of Boris Tarasoff, FDDM employee. She first made application shortly after her husband's EOD while she and the children were still in California. Attempts to have her tested and interviewed on the West Coast were unsuccessful.</p> <p>The family is all now gathered in D.C.; the children are in school; arrangements have been made for the care of the children during the lags between the end of the school day and the end of the parents work day.</p> <p>Test results are very interesting. It would appear that Mrs. Tarasoff should be able to do a most adequate job in a clerical job of the most deadly routine nature. I'm quite sure such positions are available in the Agency.</p> <p>Mrs. Tarasoff apparently has a reasonably good command of Russian, both spoken and written; I gathered that some of the household conversation is carried on in that language. HOWEVER, I gave her absolutely no assurance that we would be able to utilize this skill.</p> <p>She is interested in employment as soon as possible and I discussed an Indices Clearance with her. The Pool, the temporary indefinite appointment, et al. were described in lurid detail. She is willing and interested.</p> <p>Personally, I found Mrs. Tarasoff to be a very pleasant little woman. She is slight and slender with reddish hair; smiles easily and appears as easy to work with. GS-4 Clerk agreeable and recommended.</p>

EMPLOYMENT INFORMATION

After my discussion with the field representative, I wish to acknowledge the existence of the following conditions of employment:

A. Qualifications:

- (1) Upon my arrival in Washington I understand I will be tested to determine (a) my general aptitude; (b) my typing skill if I am being considered for a typing position, the minimum standards for which are 40 words per minute net speed; (c) my stenographic skill if I am being considered for a stenographic or secretarial position, the minimum standards for which are 60 words per minute accurate transcription with at least 40 words per minute net typing speed.
- (2) I understand that should I fail to meet the minimum standards as outlined above I will be given an opportunity to receive refresher training. As soon as I am able to meet the prescribed standards I will then be assigned to a position within the organization. If, within a reasonable period of time, I should fail to meet the minimum skills requirements, I understand that I will be assigned to a position not requiring specific skills if such a position exists. (For example: An individual initially selected as a Clerk-Typist who is not able to qualify fully as a typist would be assigned to any available clerical position.)

B. Initial Placement:

I understand there are initial placement procedures, including the testing and refresher training outlined above, that may require a period of several weeks before I am given my specific job assignment. I have had explained to me the operations of the interim assignment group where I may expect to receive the testing and refresher training mentioned and where I will work pending my specific job assignment.

C. Overseas Possibilities:

- (1) I have not been promised an overseas assignment. I understand I must demonstrate fully my abilities while on a Washington, D.C. assignment after which I may be considered for whatever positions may exist for which I am qualified. The decision to assign me to an overseas post rests with responsible individuals in the Washington office.
- (2) I understand that from past experience of the organization I may expect to remain on a Washington assignment from 1 1/2 to 2 years before I may be considered for an overseas post.
- (3) I understand that overseas assignments in the clerical and general administrative categories require, for most positions, typing and stenographic skills.

D. General:

I understand that any eventual assignment to a professional type position, if I am qualified for such by specific education, training, or experience, will depend upon the existence of a suitable vacancy and that no promises to the contrary have been made to me.

CENTRAL INTELLIGENCE AGENCY
WASHINGTON 25, D. C.

Applicant Information
Sheet No. 1

To all persons applying for employment
with the Central Intelligence Agency:

This paper is the first step in applying for employment or consultant status with the Central Intelligence Agency. No application may proceed beyond this first step if the applicant is not in agreement with the conditions stated below:

General Considerations:

1. The National Security Act of 26 July 1947 (Public Law 253, 80th Congress) which created the Central Intelligence Agency places upon the Agency the responsibility:

a. "to advise the National Security Council in matters concerning such intelligence activities of the Government departments and agencies as relate to the national security;

b. "to make recommendations to the National Security Council for the coordination of such intelligence activities of the departments and agencies of the Government as relate to the national security;

c. "to correlate and evaluate intelligence relating to the national security, and provide for the appropriate dissemination of such intelligence within the Government . . . ;

d. "to perform, for the benefit of the existing intelligence agencies, such additional services of common concern as the National Security Council determines can be more efficiently accomplished centrally;

e. "to perform such other functions and duties related to intelligence affecting the national security as the National Security Council may from time to time direct."

The special character of this national responsibility requires the Agency to maintain correspondingly special employment criteria which may be different from the routine or normal employment standards of other Government departments and agencies which do not have the highly sensitive responsibility borne by the Central Intelligence Agency. It follows that the investigation of applicants prerequisite to their acceptance is a time-consuming process which, in addition to loyalty and security checks, includes evaluation of competence, physical and emotional fitness, and availability of a suitable position at such time as employment may be offered. This is called "clearance" of an applicant.

2. Investigation of an applicant may reveal something which prevents his clearance - perhaps something of which the applicant is genuinely unaware, perhaps something which only the special employment criteria of the Agency make unacceptable. In any event, adverse findings by the Agency are conclusive and final so far as the Agency is concerned, and no statement of specific reasons is made to the applicant.

3. Employment by the Central Intelligence Agency is not a right upon which an applicant can insist. Offer of employment which is subject to full clearance does not constitute a commitment on the Agency's part giving an unsuccessful applicant grounds for any claim against the Agency. Acceptance of employment upon the condition of clearance is at the applicant's risk, taken with the knowledge that a very substantial percentage of applicants are not cleared.

Statement of Understanding
and Agreement

I have read, understand, and agree to the foregoing General Considerations. If not accepted for employment by the Central Intelligence Agency, I will make no claim or demand in conflict with those considerations.

I have also seen and read Applicant Information Sheet No. 2.

This employee is a conscientious worker and willingly carries out all of her assignments within a reasonable length of time. Her transliteration work is accurate and fairly productive.

During the absence of the Supervisor, this employee has taken over some of the supervisory duties in an acceptable manner. However, it is believed that she requires more training in this field.

This employee is scheduled to take the Agency Basic Supervision course on 2 May 1960.

SECTION E NARRATIVE DESCRIPTION OF MANNER OF JOB PERFORMANCE		
<p>Stress strengths and weaknesses demonstrated in current position. Indicate suggestions made to employee for improvement of his work. Give recommendations for his training. Describe, if appropriate, his potential for development and for assuming greater responsibilities. Amplify or explain, if appropriate, ratings given in SECTIONS B, C, and D to provide the best basis for determining future personnel actions.</p> <p>This employee is a steady, diligent, and conscientious worker. Her transliteration work is accurate and productive. She has a native language ability in Russian which is a definite aid in her transliteration work.</p> <p>Although this employee's work is productive, her rate of production generally remains at a fixed level, with no substantial increase or decrease. This is probably due to the fact that there are no other girls with whom she can compete because of other duties being assigned to them, or this employee may be of a non-competitive type.</p> <p>This employee, although she does not meet the Agency qualifications in typing, has taken the Agency's Refresher Course in Typing. However, this course was too advanced for her and she will probably require additional training and more practice before she can become a qualified typist.</p> <p>Employee's husband is employed within the Agency in the Foreign Documents Division.</p> <p>It is believed that this employee has first line supervisory potential insofar as her ability to get along with people and her unwavering interest in her work are concerned. However, she will require the necessary training along this line before she would be capable of undertaking such supervisory duties.</p>
