25 August 1976

MEMORANDUM FOR THE RECORD

FROM: Gary M. Breneman
Assistant General Counsel

SUBJECT: Request for Agency Assistance in the Death of John Rosselli

1. Senator Gary W. Hart (D-Colo.) has involved the Senate Select Committee on Intelligence in the investigation of the murder of John Rosselli (Washington Post, 25 August 1976, p. A25, copy attached). In addition, the Director has met with Hart and stated that the Agency would cooperate in the investigation of Rosselli's death within the bounds of its charter and its statutory charge to protect intelligence sources and methods from unauthorized disclosure.

2. At the request of the Committee, Mr. Tom White, OLC, and the undersigned met with two homicide detectives from the Dade County sheriff's office at 12:30 p.m., 24 August, in the offices of the Committee in the Dirksen Building. The two detectives were Julio O. Ojeda and Charles Zatrepaek. Also present at the meeting were the following individuals: Paul Daly and Carlton Burrell of the FBI and Mike Madigan, Rick Inderfurth and Mike Epstien of the Committee Staff. Present for part of the meeting were Bill Miller, Staff Director of the Committee, and Charles Kirkow of the Committee Staff.

3. The Agency officers explained that they were there to determine how, within the Agency's charter, they could provide assistance to the detectives in their investigation and to receive their questions and then pursue the answers within the Agency. The detectives asked for help in the following areas and their questions break down into three basic categories.

A. First, they would like to know whatever the Agency knows about certain Cuban nationals, some deceased and some still alive. They are as follows:

1. Ramon Don Estevez Dominquez (deceased by shooting) - born 2 May 1936 or 5 February 1936; reportedly a boat manufacturer who was able to go in and out of Cuba on a regular basis.
