MEMORANDUM FOR THE RECORD

**SUBJECT: Meetings with AMLASH-1 in Paris,
6-7 December 1964**

1. AMLASH-1 was met by ONTRICH in Paris on 6-7 Dec 1964. AMLASH-1 was debriefed on the general situation in Cuba and the attitudes of Cuban officials toward the regime. Separate cables on these subjects were sent to Headquarters.

2. AMLASH-1's reason for travel outside Cuba was to attend the conferences and meetings of the International Union of Students in Prague and other countries of Eastern Europe. AMLASH-1 had been in Eastern Europe since early November 1964. AMLASH-1 is travelling on diplomatic passport D-64-663. He plans to remain in Europe until early 1965. He has not yet set a definite date for his return.

3. AMLASH-1, although unhappy because he was unable to proceed with his plans in the past year, continues to feel that his solution to the Cuban problem is the only one feasible and feels he must continue trying. AMLASH-1 was told and he fully understood that the U. S. Government cannot and will not in any way become involved or provide assistance in the task which he has planned for himself. AMLASH-1 appeared to understand and appreciate our position and stated if he needs help he would look elsewhere. His worry was that since this is a very sensitive and delicate matter it would mean making more individuals aware of his plans.

4. AMLASH-1 did not raise the subject of AMBIDDY-1 and probably will not raise the subject until AMWHIP-1 returns from Spain.

5. AMLASH-1 reported that although he had had a few scares in the past year, nothing serious had developed which

he presently feels will prevent his return. The incident with the police in which Chomon intervened was not as serious as the report which was received in Headquarters. AMLASH-1's personal relationship with Raul Castro is again on good terms. Raul has mentioned to AMLASH-1 that he would like for him to come back on active duty in the Army in the Office of the Surgeon General.

6. Requirements were levied on AMLASH-1 both for the time he is in Paris and after his return to Cuba.

7. A cable reporting these meetings was sent to Headquarters from Paris on 7 December 1964.
