DISPATCH STMBOL AND NUMBER

a. LOPEZ said that the group of "Captains" in Spain are very agitated these days. He further stated that he had talked to AMLASH-3 on 18 April 1965, and AMLASH-3 had told him that he had to return to Cuba immediately and that he was greatly concerned because ne did not know whether he would be reintegrated into the DSE or if he was being sent to the firing wall. LOPEZ reportedly suggested to AMLASH-3 that he stay in Spain and not return to Cuba, to which AMLASH-3 replied that he had to return, because if he did not go back he would compromise his friend, superior and near brother, AMLASH-1. AMLASH-3 also told LOPEZ that if he is able to enter Cuba without any problems, "that" (sic, presumably referring to Castro regime) would last two months.

b. LOPEZ reported that AMLASH-3 had told him that the assassination attempt against Fidel CASTRO, a commando operation between their group and AMBIDDY-1's group, should have taken place on 17 April 1965, but had been frustrated because CASTRO was cutting sugar cane.

c. AKLASH-3 reportedly told LOPEZ that he planned to leave for Paris on 21 April 1965 and that if he returns to Cuba he will go via Prague.

d. According to LOPEZ, QUHOPS-1 was also supposed to leave for Havana on 20 April 1965.

e. AKLASH-3 also reportedly informed LOPEZ that AMWHIP-1, "who is one of AHLASH-3's main contacts", had passed through Spain two weeks before and had brought them all much peace of mind because of the fact that all plans were going very well.

f. LOPEZ advised that "Cuco" LEON (Bubject of Paragraph 1 of Reference) is the permanent contact and was in Spain about a week ago (about 11 April 1965).

4. When "Cuco" LEON returned to Miani from Europe, he contacted AMCRAG-1 and reported the following to him (which information was contained in SE-3139):

a. LEON said that he is greatly concerned about GROWERY's (in true name) actions with his (LEON'S) contacts in Europe. GROWERY has shown a great interest in visiting AMLASH-2, AMLASH-3 and QUEOPS-1, with the intention of capitalizing on them and making them work for him.

b. LEON reported that AMLASH-3 had told bim (LEON) that he had listened to GROWERY and his various offers on different occasions, but that he had been stalling GKOWERY while he (AMLASH-3) waited for LEON'S visit before making any decisions.

c. LEON told AMCRAG-1 that there is an unfavorable opinion of GROWERY among those Cuban officials in Europe who are cooperating with Castro's opponents and that they would prefer to work with the "Miani Group".

d. LEON claimed that he still had the best contacts in "his hands" and that these contacts are in the best disposition and condition to work and cooperate on serious matters. They have all repeatedly told LEON of their desire to cooperate with what they call the "Kiami Group".

e. LEON stated that Agustin \*BENITEZ Llanes
