Mr. [redacted] (1) [redacted] (2) [redacted] (3) [redacted]

(1) DAVE MURPHY

January 15, 1950

1. In connection with the promotion of [redacted] to [redacted] I would like to express my appreciation for the promotion action taken in his case. I consider [redacted] a [redacted] when merit this recognition of their service and contribution.

2. In connection with [redacted] whose recommended promotion from grade GS-13 to grade GS-14 was approved by the ROYAL Career Service, I consider, as we discussed in Washington during October, that the equities in favor of [redacted] are quite strong. I have discussed the Board's action with [redacted] and while he has accepted it with his usual unflinching and commendable well-disciplined decency, he cannot, of course, help but feel a certain disappointment and this action cannot help but prove doubly so in his mind. I am exactly what future in RUBEN he can look forward to. Although [redacted] has not himself made any request or comment that I refer to as a [redacted] concerning his promotion, I would like to submit for your consideration the following comments concerning him. [redacted] is in fact an excellent and a valuable officer. While it is quite true that he in all probability will never be among the very small percentage of outstandingly competent officers in RUBEN, I consider him well above the average and certainly a more valuable officer in many ways than the average GS-13. [redacted] is [redacted] or RUBEN as a whole. This opinion is based not on [redacted] a personal traits which are exceptional but on his consistent day-to-day contribution to the operations and administration of the Base and with the full realization of the fact that quite properly RUBEN promotions present themselves being granted on such arbitrary standards thus in the past. While [redacted] will never be completely at his best in the direct handling of [redacted] of agent cases, he has shown far more competence at this task than [redacted] officers and there are numerous responsible positions in [redacted] organization that he is capable of filling more than adequately. [redacted] as you know is a mature, experienced individual who has held responsible positions in the past and who handles himself quite well both inside and outside the [redacted] office. He was recently (10 September 1949) commended by [redacted] for [redacted] and this was a well-deserved recognition not only of his performance in connection with the operation but as a reflection of his consistent performance since he was assigned here in August 1946. The recommended promotion of [redacted] was first submitted on 31 January 1950 and was warmly concurred in by CGS. Further, while as you may I do not believe that this in grade should be a controlling factor in any operation, I do believe that [redacted] a long and creditable service with RUBEN and the fact that he has been in his present grade for almost 4 years substantially increases the opinion in favor of his promotion at this time. Considering the above factors and [redacted] for [redacted] which I believe is well supported. [redacted] as a superior officer [redacted] with officers of that rank.

Dick [redacted]

Very truly yours,

[redacted signature]

14-00000

[redacted]

Agreement I think as well as the concentrated fact that he is within 7
months of retirement. I would like to see the action of the Career Service
Board in [redacted] be reconsidered at this time.

3. If you agree and if you consider it appropriate I would appreciate
your recommending this case immediately to the Career Service Board with a
strong request that their disapproval action be reversed. If you do not
concur or if you feel that this is not a sound move for tactical or other
reasons, I would appreciate your advice as to acceptable timing in recommending
the recommendation of [redacted] promotion. As a matter of interest, I would
appreciate some indication of the reasoning of the Career Service
Board in disapproving [redacted] promotion.

4. It is suggested that OOS may desire to comment separately on this
case.

Administrative

Promotion of

- 1000 OK

1. Recommendation is made hereby for the promotion of Subject from grade GS-13 to grade GS-14. Subject was assigned to H-3 as Chief of the Soviet Operations Section in February 1951 charged with the overall direction of the WPAZ operational effort into the USSR. In Apr Subject took over as Chief of the Combined Soviet Operations Base in H-3 responsible for the joint SACABIN-ZACACTUS effort. In this over increasing area of operational and executive responsibility Subject has brought a high order motivation, outstanding drive, and excellent operational know-how. His devotion to a task nothing short of monumental and replete with frustrations is worthy of considerable commendation.

2. As Chief, H-3B Subject is in direct command over approximately 80 SACABIN and ZACACTUS personnel including a very large training installation at R-7 (30 miles away from WPA Headquarters). Most of this personnel has reported at H-3B during the past eight months and most of it has been newly recruited and completely inexperienced in the intelligence field. Subject has met the challenge of the problems thus posed, along with those attendant upon a broad operational effort, with commendable success.

3. Subject confronts the future of R-3B operations with a clear concept of the operational problem and a concise definition of our capabilities in coping with it. If anything, the responsibilities he will have to shoulder will be greater.

A very well earned promotion

TO : OSO Promotion Board Attn: Mr. Agnew DATE: 18 May 1949
FROM : Acting Chief, []
SUBJECT: Promotion of Mr. David E. Murphy

Attachment: 1. Dispatch, [] to Chief, [] Subject: Promotion of David E. Murphy,
ZJTA-463, dated 21 April 1949

1. Attachment 1. forwards a recommendation for promotion of Mr. David Murphy, intelligence officer, CAF-12, [] Unit, []
2. The Branch fully endorses the estimate of Mr. Murphy's qualifications and accomplishments set forth in Attachment 1. He is one of our most industrious and accomplished case officers. With respect to his promotion at this time the following considerations are pointed out:
 - a. He has been in the grade of CAF-12 since 5 April 1948. This is five months short of the minimum time in grade necessary to be considered for promotion.
 - b. While reorganization of our field T/O's in the Far East will come about in the next several months, there is at present no CAF-13 slot in the [] Unit.
 - c. To consider Mr. Murphy for promotion as a general intelligence officer of this grade he would have to be considered capable of taking over a branch or division and as a rule proven as a chief of a fairly large field establishment. While the subject may potentially have qualifications for these his experience within the organization has not yet included such assignments.
3. It is recommended that subject not be considered for promotion at this time.

1. As Mr. David E. Murphy, GS-18, retires on 31 July 1975, he will have completed some 33 years of Federal service, 27 of which have been with the Agency. His record has been an outstanding one in all respects. His accomplishments and the level and range of responsibilities he has exercised fully warrant the award of the Distinguished Intelligence Medal in recognition thereof.

2. Mr. Murphy brought to the Agency from his previous military and civilian experience and study, a knowledge of the Russian language and of the Soviet system. It was in the field of Soviet operations that he rapidly made his mark, first in [] and then in Germany. His incisive mind, vitality, enthusiasm, imagination, managerial talent and keen analytical ability led to early recognition on the part of his superiors that Mr. Murphy was an outstanding officer with very high potential. By 1954, he had risen to the position of DCOB, Berlin and in 1959 became Chief of that large and important base. He distinguished himself there. In recognition of his abilities and accomplishments he then rose successively to the position of DC/EE Division, C/EE Division, C/SR Division and C/SE Division. Each assignment was one of increasing responsibility and challenge in the direction of efforts of the Clandestine Service and the Agency against our hardest targets. The laudatory fitness reports he received from top Agency management in these assignments clearly reflect the high professional regard in which he was held and convey the judgments of the major significance of the contributions he made to the Agency mission in support of U.S. policy and national security.

3. After revitalizing and redirecting our Soviet program as C/SR and of the enlarged SB Division, Mr. Murphy was appointed COS, [] in 1968 and served in that position until 1974. His six years in [] were marked by steady progress in all areas of the missions and objectives assigned to that large and complex station and by the handling of delicate political and internal crisis situations [] effectively and to the benefit of the Agency and the United States. His analyses of the situation in [] at times of tension and crisis were particularly remarked upon for their clarity, incisiveness and value to U.S. policy makers. For his leadership of the [] Station, Mr. Murphy's performance was characterized as "Outstanding" in each of the years of his service there.

4. Mr. Murphy returned [redacted] in 1974 and was assigned as a National Intelligence Officer with responsibility to the DCI in the area of Special Activities. He has served in this assignment of high trust and responsibility until his retirement.

5. Mr. Murphy's long, distinguished career has been exceptional in contributing to the mission of the Agency both operationally and substantively. His dedication, drive and intelligence led to high achievement in all of his assignments and to his being entrusted with ever-increasing responsibilities. It is strongly recommended that he be awarded the Distinguished Intelligence Medal in recognition of his outstanding service in the CIA.

COMMENTS OF REVIEWING OFFICIAL

Under Mr. Murphy's leadership the [] Station became very operationally oriented, concentrating on high priority targets, and much exceptionally fine intelligence and counterintelligence production resulted. I have some doubt that these operational successes - as outstanding as they were - really required the total number of personnel of all categories who were committed to them. Nevertheless, Mr. Murphy made [] a shining example for all other large stations.

SUBJECT: David E. Murphy

Employee No.: 056700; Grade: GS-18; DOB:
23 June 1921; Chief of Station, [redacted]
Months under my Supervision: 14; Period
under Review: 1 April 1973-1 June 1974.

OVERALL RATING: OUTSTANDING

1. At the end of May 1974, Mr. Murphy will leave [redacted] after a most successful six-year assignment as Chief of Station. He distinguished himself by having molded this Station into a cohesive, well-disciplined, and highly productive unit. I reiterate my evaluation of Mr. Murphy as, overall, the most effective chief of a major station in the European Division. His earlier fitness reports and his excellent record in [redacted] attest to this.

2. In the past year under Mr. Murphy's direction, the [redacted] Station has continued to make significant progress on all major fronts. As examples, I can cite two direct Soviet recruitment attempts, an imaginative effort to get closer to several other primary Soviet targets, a perceptible improvement in our [redacted] relationships, a marked increase in both quality and quantity of priority economic intelligence reporting, the acquisition of new sources to cover the [redacted] internal scene, and a revitalization of several existing assets into producers of valuable intelligence. Although normally most of the credit for such achievements rests with the individual operations officers concerned, in Mr. Murphy's case he personally becomes involved in each

Murphy, David E.

operation and therefore the cited progress is a direct reflection of Mr. Murphy's talent and skill as a dynamic operational manager. [] is a sprawling metropolitan area where operating obstacles, particularly those relating to access to major targets, are further exacerbated by sporadic [] scrutiny of our activities. It is therefore all the more noteworthy that the progress made by the Station has been accomplished without any embarrassing flaps through Mr. Murphy's insistence that the highest standards of tradecraft be practiced by Station personnel and by visiting case officers.

3. Mr. Murphy can take considerable personal pride in his record []. His personal concern with all areas of Station activity and his common-sense approach to both operational and administrative matters are indicative of this officer's competence as one of this Agency's most gifted and thoroughly professional senior officers. His wide range of interests, his wealth of operational engagement, his ability to make well-reasoned and prompt decisions, his aggressiveness, and his persuasiveness are all hallmarks of Mr. Murphy's superb performance. Although Mr. Murphy shows a lively impatience with bureaucratic roadblocks and cogently articulates his views on all issues, his correspondence with Headquarters is invariably presented factually and in a dignified and unemotional tone; this I have appreciated and would like to add that Mr. Murphy promptly implements Headquarters guidelines and decisions.

4. Mr. Murphy's performance clearly merits the rating of OUSTANDING.

1. - Given the size of the [redacted] Station and the complexity of its diverse activities, on overall performance Mr. Murphy is rated as the most effective Station Chief in the European Division area. In the period under review, substantial progress has been made against all operational targets. Under Mr. Murphy's tutelage particularly noteworthy accomplishments are noted in the Soviet field against human targets and on a superbly executed [redacted] [redacted] where Mr. Murphy has almost single-handedly developed productive relationships at senior levels and as testament to his efforts, successfully enlisted outstanding [redacted] delicate CI investigation of primary interest to this Organization; and more recently, Mr. Murphy has effectively harnessed Station resources and assets to collect timely intelligence on economic topics, to move forward in the effort to thwart terrorism, and to furnish valuable reporting on the critical [redacted] elections of March 1973. Under his direction, the Station has acquired a number of productive and responsive assets in the past year, while other operational programs have improved upon their high quality/intelligence production record.

2. Mr. Murphy is a thoroughly professional senior intelligence officer who plays a very active role in practically all of the Station's operational activities. His incisiveness and keen analytical talent enable him to

make sound and well-reasoned judgments. It is to Mr. Murphy's credit that all [] based operations are run with the highest degree of professionalism and adherence to strict tradecraft procedures. Mr. Murphy has also acquired a wealth of knowledge and background on the local political scene; this is considered a valuable requisite for targeting purposes, for briefings and for maintaining his excellent relations with senior Embassy officers, including the Ambassador.

3. Given his long service in the European area and his grasp of European problems confronting the Division, exchanges with Mr. Murphy both personal and through correspondence have been extremely helpful in formulating Division operational policy.

OVERALL RATING : Outstanding

My feeling that Dave Murphy has done an outstanding job as Chief of Station, [redacted] is so amply documented in the preceding Fitness Reports that this final report before I leave the Division need not be lengthily repetitive. It is useful to record, however, that during the last half of this year his Station has been deeply involved in the reporting and analysis of some highly sensitive developments on the [redacted] political scene. Much of the analysis of this situation has been handled by Dave himself, and has proven of real significance to our highest level customers. We have briefed a number of ranking officials in Washington on Dave's findings, and they have been uniformly appreciative. Dave therefore deserves credit for alerting Washington to a difficult situation concerning which the U.S. Government has had little or no information except from this Agency's sources.

Mr. Murphy's performance continues to be Outstanding.

NARRATIVE COMMENTS

(Attach additional sheets, if necessary for this section or for reviewing officer's comments.)

I first met Mr. Murphy following the assumption of my present duties at the end of March 1973. Therefore, I am in a position to comment on his performance only during the last seven months covered by this report. During that time, Mr. Murphy's performance has been thoroughly outstanding in every respect. During his years [Redacted] he has developed a real expertise on this country, both in terms of how it functions and with regard to the manner in which [Redacted] looks at the world.

Mr. Murphy has effectively directed and coordinated a large staff, and I have been particularly gratified at the extent to which his staff coordinates its reporting with other interested elements [Redacted]. I am told [Redacted] that, based on his experience, the coordination between Mr. Murphy's office and the substantive sections [Redacted] is better [Redacted] than at any [Redacted] he has known or heard of. This is in large part a direct tribute to Mr. Murphy's leadership.

I find I am calling increasingly on Mr. Murphy's advice in the preparation of [Redacted] assessments on a broad range of policy issues. His contributions have been perceptive and, by and large, accurate.

I consider Mr. Murphy one of a handful of my closest advisors in [Redacted] and hold him in the highest regard.

MEMORANDUM IN LIEU OF FITNESS REPORT

SUBJECT : David E. Murphy, GS-18, Employee
 Number 056700, DOB: [redacted];
 Career, Chief of Station, [redacted]
 Service Designation: D.

PERIOD UNDER REVIEW : 1 April 1970 to 31 March 1971

MONTHS UNDER MY SUPERVISION: 32 months

OVERALL RATING : Outstanding

1. During the reporting period, Mr. Murphy has continued his usual virtuoso performance. The Station has been very heavily occupied in one degree or another against most of the hardest targets, and Mr. Murphy has been fully on top of everything that has gone on.

2. Particularly worthy of note is the manner in which Mr. Murphy has raised the level of our [redacted] taking advantage among other factors of a change for the better in the leadership of the [redacted] service. Although this situation has certainly been favorable, it could not have been exploited so fully had it not been for Mr. Murphy's rare combination of charm, persuasiveness, and a superb professional background.

3. I consider Mr. Murphy's performance outstanding.

Service Designation: D.

PERIOD UNDER REVIEW : 1 April 1969 to 31 March 1970

MONTHS UNDER MY SUPERVISION: 20 months

OVER-ALL RATING : Outstanding

1. Mr. Murphy has been Chief of Station, [redacted] for approximately twenty months. During his tenure, this, perhaps the most difficult of all stations, has become a rationally deployed, well-articulated and generally successful organization for perhaps the first time in its history. Intensive efforts are being mounted against virtually all assigned targets with satisfying success, in some cases producing unique results. [redacted] relationships, which began to thaw before [redacted] departure from Government, are now reasonably cordial and, above all, useful. Most of the credit for the splendid progress that has been made is directly due to Mr. Murphy himself.

2. Dave Murphy is completely oriented toward operational achievement. He has an incisive mind, enormous vitality, and enthusiasm. He is positive, impatient, forceful and articulate. He can absorb and integrate detail, and bring focus on difficult problems. He inspires both colleagues and subordinates to give their best efforts. He is fully responsive to guidance and indeed will often seize the initiative when new courses of action are indicated.

3. It would be difficult to describe the minor miracle that Mr. Murphy has wrought as anything short of outstanding.

Career; Service Designation: D.

PERIOD UNDER REVIEW : 1 April 1968 - 31 March 1969

MONTHS UNDER MY SUPERVISION: 12

OVERALL RATING : Outstanding

1. Long before Mr. Murphy departed for [redacted] in June 1968, he began preparing himself for this assignment as Chief of Station by reading files, interviewing personnel, and discussing cases. As a result, on arrival in [redacted] he was already well oriented concerning the Station's problems and had formulated plans for revitalizing it.

2. The entire year in [redacted] has of course been overshadowed by the [redacted] and a large proportion of the Station's effort has perforce been devoted to supporting the U.S. delegation. The Station has responded exceptionally well to this demand though it has forced a slow-down in normal Station activities.

4. While the exceptional events enumerated above have forced the Station to concentrate its efforts on the immediate issues, Mr. Murphy nonetheless proceeded with the longer range goals of the Station. He has worked at improving relations with the [redacted] Services, personally becoming deeply

involved even in routine [redacted] activity. Consequently, our relations during the past nine months with the [redacted] have improved considerably. This improvement can partially be attributed to a reawakening on the part of the [redacted] Government to the Communist and New Left threat (which was brought into focus by the May-June riots) but it was also in large measure due to Mr. Murphy's concerted efforts to cultivate selected officials, initiate substantive discussions and increase our own level of exchange with the Services.

5. Operations against the Communist Party have been re-activated with emphasis on the international aspects of the Party, particularly support of subversion abroad. Operations against the large Soviet and Chinese targets are beginning to move ahead. Production-wise, the take from both [redacted] [redacted] increased significantly during 1968. We expect further increase in 1969.

6. There are still many weak spots in the [redacted] Station and many refinements and adjustments to be made. But Mr. Murphy has made an exceptional beginning; the Station is moving in the right direction and during this coming fiscal year we should begin to see the worth of the programs which are being so energetically pursued by him. Without question, his performance has been Outstanding.

SECTION B PERFORMANCE EVALUATION
SUBJECT: Mr. David E. Murphy

1. This report covers the performance of Mr. Murphy as Chief of the SR Division for the past year.
2. The past year has seen a measurable increase in the work load of the SR Division, with no let up in the energetic efforts of the Division to accomplish its mission. A number of new [] operations have come into being and the support rendered the Division by the other area divisions has been a reflection of the success of Mr. Murphy's program to enlist the interest and the energies of the other area divisions in attacking one of our principal targets.
3. Mr. Murphy has now assumed new responsibilities as chief of a substantially enlarged division including the satellites as well as the Soviet Union. This is a tribute to his own outstanding management of his division as well as a recognition of the close operational interrelationship between Soviet and satellite activities.

MEMORANDUM IN LIEU OF ANNUAL FITNESS REPORT
(For the period ending 31 March 1965)

SUBJECT: Mr. David E. Murphy

1. This report is the first full year report of Mr. Murphy's performance as Chief of the SR Division.
2. Perhaps his greatest contribution during this past year has been the energizing of the Division's several components with a consequent very noticeable increase in the efforts of the Clandestine Services as a whole against our Soviet targets. Mr. Murphy's enthusiasm and imagination have been contagious, and we are as a result profiting from his sound approach to the role and mission of his Division. He has fully understood the fact that the SR Division cannot alone discharge the responsibilities of the Clandestine Services for intelligence and counter-intelligence activity against our Soviet requirements, but must harness the interest and the energies of all the area divisions. In this respect, Mr. Murphy is achieving nothing short of remarkable success. His arrangements with DODS are also improving the quality of that Division's work in the SR field, while his general administration of his Division from a managerial point of view has continued to be excellent.
3. The overall evaluation of Mr. Murphy's performance during this past year, including his regard for cost and manpower factors, is outstanding. It is because of the quality of this performance that favorable consideration has been given in principle to the gradual investment of an increasing portion of the manpower assets of the Clandestine Services to his Division. His plans and his accomplishments to date justify confidence that these increases are being well invested and will provide a maximum return.

MEMORANDUM IN LIEU OF ANNUAL FITNESS REPORT
(For the period ending 31 March 1964)

SUBJECT: Mr. David E. Murphy

1. Mr. Murphy relinquished his duties as Chief, Eastern Europe Division in September 1963 and took over his present responsibilities as Chief of the SR Division at that time. This report covers the period from 1 April 1963 to the present and thus includes comments on his performance as Chief, EE Division and Chief, SR Division.

2. Mr. Murphy combines an extraordinary talent for this work with a considerable and varied experience in it. His previous report indicated that he was turning in an outstanding performance in dealing with the affairs of the EE Division, and he continued this level of his performance in the first six months covered by this report. A general reorganization of senior officers in the Clandestine Services offered the opportunity to put Mr. Murphy in charge of the division which he had long aspired to direct and for which position he was eminently qualified, both linguistically and by field experience. He is showing excellent results in refurbishing the Division and giving it new life and impetus. His considerable energies enable him to give an outstanding performance in managing and directing his Division's affairs while at the same time engaging personally and most actively in a number of very important Divisional cases. His competence includes awareness of the need for keeping his costs down and getting the maximum from his manpower. He is showing imagination and initiative and is probably the best qualified and best prepared officer ever to head the Division.

MEMORANDUM FOR: Director of Personnel

SUBJECT: Fitness Report - Mr. David E. Murphy

1. This memorandum is in lieu of the *Fitness Report Form* on Mr. Murphy and covers the period from 1 April 1962 through 31 March 1963, during which Mr. Murphy has served as Chief of the Eastern Europe Division.

2. After a long series of assignments dating from April 1948 and involving duty at [redacted] Karlsruhe and Berlin where he served as Chief of Base of that important installation, Mr. Murphy returned to Headquarters in August 1961 as Deputy Chief of the EE Division and became Chief of that Division in June 1962. I should like to quote from the fitness report on Mr. Murphy written at the time he was assuming his new responsibilities as Chief of EE Division: "There is every reason to believe that Mr. Murphy will manage the EE Division in the same outstanding manner with which he won the ungrudging respect of the Berlin community as the leader of American intelligence in that area." A previous fitness report covering his first year as Chief of Base, Berlin is equally laudatory.

3. In his responsibility for streamlining and improving the effectiveness of his Division in both its headquarters and overseas postures, Mr. Murphy has been energetic and imaginative. He is an authority on the situation in West Germany but particularly in Berlin and has played a highly useful role in government councils on these problems. He has excellent working knowledge of Russian, French and German, and his operational experience as a result

of his field assignments is truly extensive.

4. In conducting the affairs of his Division during this past year, Mr. Murphy has without question borne out the prediction that he would turn in an outstanding performance. He has done this and continues to do it.

1. This memorandum is in lieu of the Fitness Report form. It covers Mr. Murphy's performance in the EE Division, Classification Services from 27 May 1960 to 31 March 1962.

2. Mr. Murphy has entered upon his new assignment as Chief of the EE Division with vigor. There is every reason to believe that Mr. Murphy will manage the EE Division in the same outstanding manner with which he won the ungrudging respect of the Berlin community as the leader of American intelligence in that area. He continues to perform with the same competence as was reflected in his previous Fitness Report.

MEMORANDUM FOR: Director of Personnel

SUBJECT: David E. Murphy

1. Murphy's performance since he became COB Berlin last summer must be almost as well known to Headquarters as it is to me. His projected assignment as Deputy Chief EE, then the realization that his continuation in Berlin is essential, and later still his detail to the [] conference as the KUBARK referent on Berlin all recognize different aspects of his remarkably high qualifications.

2. As COB Berlin he is a worthy successor to William K. Harvey; he is fully on top of the job. This was expected, but in addition he has shown an astonishing virtuosity in the field of coordination, in which his pioneering work has set a fine example for the rest of KUBARK overseas. In a few months he learned more about the totality of American intelligence in Berlin than anyone would have supposed possible; then he used his knowledge with great diplomatic skill to bring about one improvement after another. The successful reform of the [] situation followed his suggestions, with the whole community willingly cooperating; once he had demonstrated the advantages to be gained. He knows more of both the big picture and the small details of Army operations than the Army's own local commander (to say nothing of all higher echelons) and with this knowledge has already improved the Army's product, for example in providing detailed briefs which the Army system is not geared to supply. His grasp of the whole subject, his ability either to generalize usefully or to go into deep detail as appropriate, his speed and thoroughness in attacking the many problems are all demonstrated in the series of brilliant memoranda which have come from him for many months. In addition I have several times witnessed his impressive skill in negotiation, in bilateral discussion with one or other colleague in Berlin, in meetings of the ICCh, in presentations before the ICCh, and in particularly delicate dealings with Maj. General Van Natta. It is quite clear that he has won the ungrudging respect of the whole community as the leader of American intelligence in Berlin.

MEMORANDUM FITNESS REPORT

David E. Murphy

SUBJECT : [REDACTED] Murphy's

Murphy Since the submission of the last Fitness Report concerning [REDACTED], his performance has consistently continued at the same outstanding level of competence and effectiveness. During this period, in anticipation of [REDACTED] assuming duties as Chief of Base at the end of August 1959, I have in increasing measure delegated responsibility to him and he has been fully involved in all major phases of the operational direction of the Base. During the entire month of July he was Acting Chief of Base. During this period his performance was outstanding and he directed the operations of BOB in a fully effective, well organized and thoroughly competent manner. I have nothing further to add concerning [REDACTED] great abilities and fine performance which are fully covered by the detailed comments in his last two Fitness Reports and in the promotion recommendation dated 23 September 1958 on the basis of which he was promoted from grade GS-15 to grade GS-16.

MEMORANDUM FITNESS REPORT -- [REDACTED]

Revised ①
Wright

It is noted that detailed comments concerning [REDACTED] competence, performance and potential were transmitted to Headquarters in his last Fitness Report by dispatch EMBT-1003 dated 23 September 1956 recommending [REDACTED] promotion from grade GS-15 to grade GS-16, which recommended promotion has since been approved and made effective.

There is little to add to the comments in [REDACTED] last Fitness Report except to record his performance for the six month period since the submission of this report, during which period he has served as full-time Deputy Chief of Base and Chief of Operations and for [REDACTED] appreciable periods as Acting Chief of Base. [REDACTED] outstanding performance has continued during this period. He is a fully mature, capable, experienced, senior officer and one of the finest operations and intelligence officers I know in [REDACTED]. He possesses great drive and a complete grasp of the professional aspects of his assignment. He has done an outstanding job in every assignment he has been given and has fully demonstrated his competence to direct the activities and operations of a large and complex [REDACTED] field base. During the period covered by this report Jewett has exhibited no outstanding weaknesses and in all respects his performance has been outstanding.

SECTION D. SUITABILITY FOR CURRENT JOB IN ORGANIZATION

DIRECTIONS: Take into account here everything you know about the individual...productivity, conduct in the job, pertinent personal characteristics or habits, special defects or talents...and how he fits in with your team. Compare him with others doing similar work of about the same level.

- 1 - DEFINITELY UNSUITABLE - HE SHOULD BE SEPARATED
- 2 - OF DOUBTFUL SUITABILITY...WOULD NOT HAVE ACCEPTED HIM IF I HAD KNOWN WHAT I KNOW NOW
- 3 - A BARELY ACCEPTABLE EMPLOYEE...BELOW AVERAGE BUT WITH NO WEAKNESSES SUFFICIENTLY OUTSTANDING TO WARRANT HIS SEPARATION

IS THIS INDIVIDUAL BETTER SUITED FOR WORK IN SOME OTHER POSITION IN THE ORGANIZATION? YES NO. IF YES, EXPLAIN FULLY:

While I do not consider that Subject is better suited for any other type of position than the one he now holds and the one that has been recommended for his next assignment, it should be pointed out that he is an unusually versatile officer capable of performing with distinction any one of a wide range of assignments, both in the field and at headquarters.

Subject is ~~is~~ without question one of the most outstanding operations officers in ~~has~~. He is distinguished by his drive, the incisiveness of his approach to operational and other problems, the depth of his operational understanding, the soundness of his operational judgment, and his broad, almost unique, knowledge of Soviet matters, particularly in the counter-espionage field. He is a brilliant CE officer, an outstanding agent handler, and an excellent executive, and has fully demonstrated his capabilities in all of these fields during the almost four

SECRET

years he has been assigned to BOB. These abilities, plus his unusual language capabilities and his broad and detailed area knowledge, make Subject, in my opinion, one of the most valuable, versatile and effective officers in ~~the area~~. The only weaknesses I have noted in Subject during the almost four years that I have been completely and intimately familiar with his work on a daily basis, are a tendency at times to be too impatient with other officers particularly those who do not begin to measure up to his very high standards of performance, and an occasional tendency to be somewhat undiplomatic in his handling of personnel. It should be clearly pointed out, however, that neither of these factors are of sufficient importance or weight to, in any material way, decrease the effectiveness of Subject's consistently fine performance and are, in my opinion, merely the inevitable corollary of Subject's great drive and intense dedication to his profession. It also should be pointed out that while Subject is an exacting supervisor, he is never unreasonable nor in any sense dictatorial, and he has demonstrated the capacity of quickly developing and retaining the full loyalty, cooperation and respect of the officers with whom he works. It is, I think, significant also that the respect which other officers hold for Subject increases in direct proportion to the level of professional competence and experience which these officers attain.

In assessing Subject's performance and capabilities, it should be pointed out that he has been officially recommended for promotion from grade GS-15 to grade GS-16 and that he has been officially recommended to succeed the present incumbent as Chief of Base, BOB. Further comments concerning Subject in this connection are contained in EGBT-1003 dated 28 September 1958, the covering dispatch to this Fitness Report which should be read in conjunction therewith.

ATTACHMENT TO FITNESS REPORT (PART II) POTENTIAL

Section E, Paragraph 13:

** This report in addition to being an Annual efficiency report should be read as a recapitulation and full analysis of Subject's performance since his assignment to BOB in December 1954 and of his present capabilities and future potential in support of the official recommendation that he be promoted from grade GS-15 to grade GS-16 and that he be made Chief of Base, BOB, upon the departure of the present incumbent.

Section G, Paragraph 4:

Subject has ^{CIA} clearly demonstrated the potential for becoming a most senior [redacted] executive. He is fully capable now of directing with full effectiveness a large, complex field Base or Station and, with the minimum of familiarization, capable of performing any one of a number of senior executive positions at Headquarters. I consider Subject to be one of that very small handful of most capable [redacted] CIA officers who should ultimately occupy the key executive positions in

DDP

Section H, Paragraph 1:

Subject does not need additional training. It has been recommended that he be made Chief of Base, Berlin, for his next assignment. Upon the completion of that assignment he should, in my opinion, return to Headquarters and, if possible, assigned as Deputy Chief of a foreign area division with the view to his becoming Chief of such division at the appropriate time, or occupying another suitable position of similar stature within [redacted]. After a reasonable Headquarters' assignment within this framework he should, however, be reassigned to the field as Chief of a major [redacted] station where his great abilities in the planning, development, and implementation of espionage and counter-espionage can be brought to bear with maximum impact. In any event, whatever assignment Subject may be given in the future, either at Headquarters or in the field, should involve direct operational and/or operational/supervisory responsibilities. Given the very small number of [redacted] CIA officers who have attained, or are likely to attain, Subject's level of competence, and given Subject's intense personal preoccupation with the operational side of [redacted] work, I do not believe that [redacted] can afford to use Subject on any non-operational or non-operational/supervisory assignment for any length of time.

[Handwritten signature and notes in the evaluation section]

A STATUS AND EFFICIENCY REPORT COVERING EACH CIVILIAN EMPLOYEE IN THE FIELD WILL BE RENDERED BY SUCH EMPLOYEE AND HIS OR HER IMMEDIATE SUPERVISOR ON 1 JUNE OF EACH YEAR IN THIS FORM. EACH EMPLOYEE WILL EXECUTE ITEMS 1, 2 & 3 OF THE FORM AND RETURN THEM TO HIS REPORTING OFFICER FOR COMPLETION OF THE EFFICIENCY RATING AND FORWARDING TO WASHINGTON HEADQUARTERS NOT LESS THAN 15 DAYS AFTER CLOSE OF REPORTING PERIOD.

A. THE REPORTING OFFICER IS DESIGNATED AS THE EMPLOYEE'S IMMEDIATE SUPERVISOR. IN OTHER WORDS THE PERSON WHO IS PRESUMABLY BEST ACCQUAINTED WITH THE EMPLOYEE'S WORKING EFFICIENCY. HOWEVER DEPENDING UPON CIRCUMSTANCES, THE CHIEF OF STATION MAY NOT WISH TO ENTIRELY THE IMMEDIATE SUPERVISOR WITH THIS RESPONSIBILITY. IN ANY CASE, THE CHIEF OF STATION WILL CHANGE OR MODIFY THE RATING OF THE REPORTING OFFICER WHEN SUCH CHANGES OR MODIFICATIONS ARE CALLED FOR. THE CHIEF OF STATION IS ULTIMATELY RESPONSIBLE FOR THE ACCURACY OF FACTS AND STATEMENTS WHICH APPEAR ON THE STATUS AND EFFICIENCY REPORT. IN MANY CASES, ESPECIALLY IN A SMALL UNIT, THE CHIEF OF STATION MAY WISH TO FILL OUT ALL THE REPORTS HIMSELF.

2. IN ADDITION TO THE ANNUAL REPORT, THE FOLLOWING SPECIAL REPORTS, UTILIZING THE SAME FORM, WILL BE RENDERED:

- A. UPON COMPLETION OF FIRST NINETY (90) DAYS OF SERVICE AT A STATION.
- B. UPON RELIEF OR REASSIGNMENT OF REPORTING SENIOR.
- C. UPON DETERMINATION OR RECOMMENDATION THAT AN EMPLOYEE IN A FIELD STATION SHOULD BE REASSIGNED TO ANOTHER STATION OR RETURNED TO U.S. FOR REASSIGNMENT OR OTHER DISPOSITION. SUCH REPORT WILL BE FORWARDED SO AS TO REACH THE WASHINGTON HEADQUARTERS AT THE EARLIEST POSSIBLE DATE AFTER SUCH REASSIGNMENT DETERMINATION IS MADE. IF POSSIBLE, THE REPORT SHOULD BE SENT IN AT LEAST THREE MONTHS PRIOR TO PROPOSED REASSIGNMENT IN ORDER THAT ALL TIME POSSIBLE MAY BE DEVOTED TO APPRAISAL AND EVALUATION. IF CONSIDERATION OF REASSIGNMENT IS BEING GIVEN WITHOUT EMPLOYEE'S KNOWLEDGE, ITEMS 1 TO 6 WILL BE FILLED IN AS FAR AS POSSIBLE BY THE RATING OFFICER WITHOUT DEFERRAL TO EMPLOYEE.

3. IN FAIRNESS TO THE INDIVIDUAL BEING RATED AND IN THE INTEREST OF THE GOVERNMENT, THE IMPORTANCE OF CAREFULLY PREPARED AND ACCURATE EFFICIENCY REPORTS CANNOT BE OVERSTRESSED. THE FOLLOWING BASIC PRINCIPLES OF RATING SHOULD ALWAYS BE KEPT IN MIND:

- A. ALWAYS BASE YOUR JUDGMENT ON:
 - (1) WHAT YOU HAVE OBSERVED THE INDIVIDUAL DO OR FAIL TO DO.
 - (2) TYPICAL PERFORMANCE, NOT ON AN ISOLATED STRIKING INCIDENT.
 - (3) EXAMPLES RELEVANT TO THE CHARACTERISTIC UNDER CONSIDERATION.
 - (A) THE EFFICIENCY REPORT IS TO BE USED TO RATE ALL CIVILIAN EMPLOYEES. BUT REPORTING OFFICERS SHOULD BEAR IN MIND THAT DIFFERENT STANDARDS PREVAIL IN DIFFERENT ASSIGNMENTS WHEREAS IT IS NECESSARY, FOR EXAMPLE, THAT AN INTELLIGENCE OFFICER POSSESS INITIATIVE. THIS SAME TRAIT IS NOT ALWAYS DESIRABLE, EXCEPT IN A MINOR WAY, FOR A TYPIST. THE RATINGS AND EVALUATIONS SHOULD BE IN REFERENCE TO THE JOB - THE ACTUAL WORK ASSIGNMENT FOR WHICH THE PARTICULAR EMPLOYEE IS BEING PAID. EVERY EFFORT SHOULD BE MADE TO ARRIVE AT A JUST ESTIMATE OF THE QUALITIES OF THE PERSON REPORTED ON FOR THE PERIOD COVERED BY THE REPORT. AVOID EXAGGERATIONS AND SUPERLATIVES. THEY DETRACT FROM THE VALUE OF A REPORT AND ARE UNFAIR TO OTHERS.
 - B. BIASED OPINIONS BASED ON PERSONAL LIKES AND DISLIKES MUST BE SCRUPULOUSLY AVOIDED. IT SHOULD BE BORNE IN MIND THAT THE PREPARATION OF EFFICIENCY REPORTS IS AN IMPORTANT FUNCTION OF ALL SUPERVISORS OF EMPLOYEES, AND THE ACCURATE AND TRUE EVALUATIONS EXPRESSED THEREIN ARE A DIRECT REFLECTION UPON HIS OWN ABILITY AND QUALIFICATION FOR THE POSITION HE HOLDS.
 - C. NO REPORTS WILL BE RENDERED COVERING PERIODS OF LESS THAN 90 DAYS OBSERVED SERVICE.
- 4. REPORTS WILL NORMALLY BE CLASSIFIED CONFIDENTIAL; HOWEVER, THE CLASSIFICATION MAY BE RAISED IF DEEMED ADVISABLE BY RATING OFFICER.
- 5. REPORTS WILL NEVER BE SHOWN TO THE EMPLOYEE REPORTED ON.

DISPOSITION OF REPORTS

- 1. REPORTS WILL BE FORWARDED TO THE APPROPRIATE BRANCH CHIEF IN WASHINGTON HEADQUARTERS WITHIN TEN (10) DAYS AFTER THE CLOSE OF THE REPORTING PERIOD.
- 2. IF THE REPORTING OFFICER IS THE CHIEF OF STATION, REPORTS WILL BE FORWARDED BY HIM TO THE APPROPRIATE BRANCH CHIEF IN WASHINGTON HEADQUARTERS.
- 3. IF THE REPORTING OFFICER IS NOT THE CHIEF OF STATION, THE REPORT WILL BE REFERRED TO THE NEXT IN COMMAND FOR REVIEW AND FINALLY TO THE CHIEF OF STATION FOR FORWARDING TO WASHINGTON HEADQUARTERS.
- 4. UPON RECEIPT OF REPORT IN WASHINGTON HEADQUARTERS, THEY WILL BE REVIEWED BY THE BRANCH CHIEFS PROMPTLY AND THEN REFERRED TO THE ASSISTANT EXECUTIVE FOR PERSONNEL FOR RETENSION IN THE PERSONNEL FILE OF THE EMPLOYEE.

A. IF A CHANGE OF PERSONAL STATUS IS REPORTED UNDER SECTION B, ONE COPY OF SUCH REPORT WILL BE DETACHED AND SENT TO THE SECURITY OFFICE.

Subject's aggressiveness and intense interest in the detail of his work, do at times, make it difficult for employee to work with some individuals on first contact. It was therefore necessary to rate him as only good under 9a. This Reporting Officer feels that this is no particular down-grading in this case because time usually heals any difficulties in this regard. Respect for the individual's abilities tends to override the personality weaknesses particularly with his close associates. This Reporting Officer considers this employee as outstanding in our field because, first, his intense interest, second, his innate ability and knack for the work, his training and background, and his great devotion

MEMORANDUM FOR: Mr. David E. Murphy

SUBJECT : Service in the Clandestine Services
Records Committee

1. I wish to take this opportunity to thank you for your service as a member of the CS Records Committee. The contributions which you have made to our deliberations have been of considerable assistance to me and to the CS records program.

2. I believe that effective records and information systems are vital to the success of an intelligence organization and that the Records Committee plays an extremely important role in ensuring that these systems are consonant with more pressing and dramatic operational and policy requirements. The advice, assistance and participation of yourself and other senior officials have enabled us to meet our obligations and make steady improvement in this area. I hope I may continue to count on your suggestions, initiative and advice in this area in the future.

TO:

Mr. David E. Murphy
USA REG
APO 742, US Forces

1. I would like to take this opportunity, upon the eve of my departure from Berlin, to thank you for the assistance you have given to me.

2. Your constant cooperation with members of my staff and with the other units in this Command has been particularly appreciated. Your advice, which I know was based on intimate knowledge of the intricate problems peculiar to Berlin as well as on your thorough professional competence, was most valuable in developing plans and policies for this headquarters. In addition, the valuable and timely information provided by you has contributed to an important degree to the security of this city. I am certain that my successor will continue to benefit greatly from your assistance.

3. I wish you continued success in your assignment and sincerely hope that someday we will once again have the pleasure of working together.

SUBJECT: Letter of Appreciation

TO: Mr. William Harvey
7971 USARSG
APO 742, US Forces

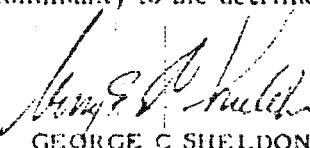

1. As the Commanding Officer of this unit, it gives me particular pleasure to extend my appreciation to Mr. David Murphy [redacted] [redacted] for the able and extremely valuable assistance which they rendered to an operation of this unit on [redacted].

2. Mr. Murphy, when informed on Sunday 24 May that some assistance was needed by this unit, despite the short notice, wholeheartedly and unstintingly rendered advice and logistical support. Because of unforeseen circumstances, certain support was lacking for a particular operation, and Mr. Murphy immediately proffered the necessary aid. In discussing the various phases of the operation, Mr. Murphy was good enough to share his rich experience with representatives of this unit and thus facilitate implementation of the project.

3. [redacted] consideration, tact and concern over the security and success of the operation merit praise. Despite the short time allocated to [redacted] phase in the operation, he consistently deferred to the wishes of the members of this unit, recognizing that security of the operation was paramount.

4. Such cooperation and spirit of friendliness as exhibited both by Mr. Murphy and [redacted] are a very welcome new page in the relationship between this unit and your organization. It is a significant step toward the type of coordination and cooperation which will in the last analysis benefit the intelligence community to the detriment of the opposition.
