Dear Joseph,

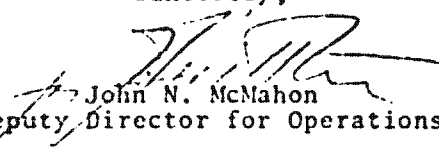

Please accept my appreciation for an assignment well done as a member of the FY 1978 GS-07 Secretarial/Clerical DO Personnel Evaluation Boards from 17 April through 19 May 1978.

I well recognize the complexities involved in the comparative evaluation of clerical careerists -- a task further complicated by this being only the second year it has been undertaken. Your deliberations were vital to the Directorate's determination to bring to this group of valuable employees the advantages of the merit system.

Full-time service with the Evaluation Boards represents a major contribution to the Directorate's program of personnel assessment and management. Not only were your promotion recommendations valued, but recommendations for career development and training were also extremely helpful.

I believe that your service on the Board broadened and sharpened your own focus on personnel aspects of Agency management. Too, I think that the time spent in this endeavor could only have made you better aware of our need for complete, careful and candidly written appraisals of our employees.

Sincerely,

John N. McMahon
Deputy Director for Operations

MEMORANDUM FOR: Director of Personnel
FROM: [REDACTED]
A/Chairman, DO Personnel Evaluation Boards
VIA: Chief, Career Management Staff
SUBJECT: Recommendation for Quality Step Increase
for Joseph S. Piccolo (CI)

1. Mr. Piccolo joined the Agency in 1957 and since then has served 12 years as a field case officer in [REDACTED] and [REDACTED] as well as tours at Headquarters in LA Division and currently on the CI Staff. He was promoted to GS-13 on 4 February 1973.

2. Mr. Piccolo has performed in a strong to outstanding manner during the past year as described in his fitness report covering the period October 1976 to September 1977. He was engaged during this period in a number of CI projects, including [REDACTED]

He also was called upon to support CI activities [REDACTED] and "he executed these assignments with a singular degree of professionalism." He recently also organized and ran in [REDACTED] the Station involved described the effort "as an outstanding contribution." During the previous fitness report period he participated in two [REDACTED] and [REDACTED] and because of this experience he was recently named to head another [REDACTED] in the future.

3. It is the view of the Fiscal Year 1978 GS-13 DO Personnel Evaluation Board that Mr. Piccolo has performed in a sustained high manner which exceeds the normal requirements of his position and that this sustained high performance promises to continue. He is, therefore, recommended for a Quality Step Increase.

MEMORANDUM FOR: Joseph S. Piccolo

SUBJECT : Acknowledgment of Evaluation Board Functional Category

REFERENCE : Evaluation Board Precepts for Your Grade

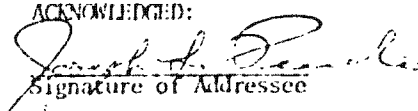

1. Based upon an examination of your past assignments and duties, and after considering likely future assignments, you have been placed (subject to your signature below) in the functional category ~~B/OS~~ B/OS for Evaluation Board purposes. Precise definitions of this category are contained in the Evaluation Board precepts for your grade. This placement is made in order that your performance, growth potential, and career planning may be judged against officers similarly placed professionally. YOU ARE URGED TO STUDY THE PRECEPTS AND CONSIDER YOUR OWN CASE CAREFULLY.

2. In general, you should consider the following:
 - a. Categories are sharply defined. Competition is within categories, not between them. Thus, a weak B/OG performance is not strengthened by reclassifying it as B/OS.
 - b. A change in category after sustained performance in a different category may cause a temporary loss of momentum in your career advancement until you have demonstrated proficiency in your new assignment.
 - c. A category change should not be initiated for the period of a temporary, training or rotational assignment unless a permanent change of career track will follow.

3. If you believe that this is not the correct category for you because the substantive nature of your job more closely approximates another category or because you have made a permanent change of career track, please take the matter up through your command channel to secure the concurrence of your component of assignment or of your home base component, as appropriate, to a change of your category. Previously assigned and acknowledged categories will remain in effect until a fully executed acknowledgment of change is received by the Career Management Staff.

4. Please sign and date this notification in the space provided and return it to your Personnel Evaluation and Management Officer or to your Personnel Officer.

MEMORANDUM FOR: Chairman, GS-12, CS Evaluation Board

SUBJECT : Recommendation for Promotion to GS-13,
Joseph S. Piccolo

1. Mr. Joseph S. Piccolo entered on duty with the Agency in February 1957 as a file clerk. He progressed rapidly from that position to that of Intelligence Assistant and subsequent acceptance into the Agency Junior Officer Trainee Program. In addition to Headquarters assignments he has served as operations officer in Mexico City Station (1965-1968) and [redacted] Station (1968-1969). Since February 1970 he has been assigned to [redacted] Station, Base [redacted] where he is serving on an extension of tour until June 1973. He has been in grade GS-12 since September 1968.

2. M. Piccolo has been consistently evaluated as a very Strong performer in his current grade and this in a variety of assignments which have progressed upwards in responsibility and have included field FI and liaison responsibilities, Headquarters desk officer and liaison officer; up to his current assignment as senior officer in charge of one of the Station's major operational programs, [redacted] and [redacted] operations including direct handling of the Station's most sensitive [redacted]. He has been evaluated by the [redacted] Base Chief as the most mature, dependable and competent case officer at the Base. He has excelled in the handling of intricate sensitive [redacted] operations where the highest professional standards are demanded. He carries a very heavy work load lightly and is a prodigious contributor in both operational and information reporting. His performance as a supervisor has been characterized by conscientiousness, a good sense of detail, perceptiveness, fairness and firmness. Two Chiefs of Station have emphatically endorsed the very

high evaluation placed on Mr. Piccolo's performance. His current COS has especially commended him on his handling of a complex current case involving [redacted] in which Mr. Piccolo has demonstrated an unusual grasp of detail, excellent judgment, poise under pressure, and extraordinary stamina. The COS has stated that Mr. Piccolo is already performing well above the GS-13 level.

3. Several supervisors have commented on Mr. Piccolo's quiet unassuming personality which belies the intensity with which he approaches his work. Underlying the quiet manner it has been noted that he is tough-minded and aggressive in his agent handling and exploitation and is highly experienced and skilled in the basic craft of the intelligence business. He is linguistically talented and can function in both the [redacted] and [redacted] languages. He has had the basic Agency operations courses including some in technical operations. He is also an intelligent supervisor with a capability for lighting fires under his charges when necessary. He is highly respected and appreciated by all his colleagues and though he maintains a low-profile he moves easily in his [redacted]

4. Mr. Piccolo has already proven his ability to perform at the next highest grade. Most supervisors have emphasized his potential for assuming ever increasing responsibilities. He has realized this potential with each succeeding assignment and particularly in his current one. He fits both the general and specific criteria for promotion. He has shown himself in possession of the requisite qualities of reliability, seriousness of purpose, imagination, and dedication. He has personally applied the specifics of his profession in a successful manner and has demonstrated his ability to supervise and inspire others in their application as well.

5. Mr. Piccolo's request for a one-year extension of his current tour has been approved. At the culmination of that period an appropriate assignment will be arranged for him commensurate with the Agency's needs, his desires and the continued furtherance of his career.

6. It is hereby strongly recommended that
Mr. Piccolo be promoted from GS-12 to GS-13.

MEMORANDUM FOR: Secretary, CS/CS Panel (Section B)

SUBJECT : Recommendation for Promotion to Grade
GS-12--Mr. Joseph S. Piccolo

1. It is recommended that Mr. Joseph S. Piccolo be promoted to the grade of GS-12. Mr. Piccolo has been in grade as a GS-11 since September 1966 and is presently serving as an operations officer at [redacted]

2. Mr. Piccolo is a promising young officer who first entered the Agency in 1957 as a clerk in Agency Records section (RI). He also did a tour in the Records Section of the Mexico City Station. After a short separation for military service, Mr. Piccolo returned to the Agency and later was appointed to the Junior Officer Training Program. Since his completion of that program he has served in Headquarters and Mexico City as an operations officer prior to his assignment to [redacted] in March of 1968.

3. Mr. Piccolo has consistently received high ratings from his superiors in the field and at Headquarters. He is an active operations officer with a special flair for agent handling. He has a good command of the Spanish language, is a dedicated employee of the Agency and has a great deal of growth potential. Since going to [redacted] he has been in charge of the [redacted] Station during the home leave absence of the Chief of Station for a period of almost two months, during which time the Station continued its high level of performance. While this was his first period of his career where he had supervisory responsibility, he did show himself to have ability in this area and is a further indication of his growth potential.

MEMORANDUM FOR: *Joseph S. Nicola*
████████████████████

THROUGH : Chief of Station, Mexico City

SUBJECT : Notification of Designation as a Participant in the Organization Retirement and Disability System

REFERENCE : Book Dispatch 5096 dated 12 August 1965

1. You have been found to be qualified as a participant in the Organization Retirement and Disability System and have been so designated effective 7 May 1967

2. Although such designation under present statutes is viewed favorably by most persons, the regulation governing this retirement system gives the individual the right to appeal such a determination if he deems the designation adverse to his best interests. In order that this technical requirement may be satisfied, you are hereby notified of your right to appeal. An appeal with reasons therefore must be received in Headquarters within 60 days of the date of this memorandum or acceptance of designation will be assumed. Any questions that you may have in connection with your designation that cannot be answered by referring to referenced Book Dispatch should be forwarded to Headquarters.

3. We believe that the benefits of the Organization Retirement System are superior to the benefits of the Civil Service Retirement System. However, there are a few situations in which an employee *at the time of retirement* may have so many years of service (almost 37) that he would receive a higher annuity under the Civil Service System. Because of this, the policy decision has been made that a participant in the Organization System who would receive a higher annuity under the Civil Service System may, not later than one year prior to his retirement, apply to be removed from our system and transferred to the Civil Service System. Thus, you should not anticipate this contingency as a factor in deciding whether you regard your designation as a participant adverse to your best interests.

MEMORANDUM FOR: CS/CS Panel C

SUBJECT : Proposed Nomination for Promotion to GS-10
Mr. Joseph S. Piccolo

1. Mr. Piccolo's work since completion of the Career Training Program has been reflected in a series of progress reports.

2. At this time, in view of his pending transfer and my own, I should like to recommend him for promotion. His performance to date merits it.

3. As I have stated in his fitness reports and in recommending him for the Career Training Program, Mr. Piccolo already is a capable operations officer and has unusual potential. His experience, common sense and flair for operations make him even now the equal of most officers who are serving in grades considerably higher than his.

MEMORANDUM FOR: Secretary, Clandestine Services Career Service Panel

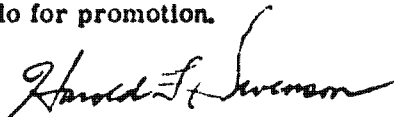

SUBJECT : Recommendation for Promotion of Mr. Joseph S. Piccolo

1. It is recommended that Mr. Joseph S. Piccolo be promoted from GS-7 to GS-8. He has been in grade GS-7 since 19 July 1960 and was assigned to what is now the Special Affairs Staff (formerly Task Force W) on 27 August 1962.

2. As long ago as 16 June 1960 when he was a GS-6 Mr. Piccolo was considered to have merited promotion to GS-9, but an Agency policy precluding multiple grade promotions prevented his being considered for GS-9 at that time. He was promoted to GS-7 on 19 July 1960. On 4 May 1961 Mr. Piccolo was recommended for promotion to GS-8 at a time when he was expected to leave the Agency in order to comply with his obligation for military service. The recommendation was not approved on the grounds that promotion spaces were limited. Mr. Piccolo served in the Air Force between 4 October 1961 and 27 August 1962 when he returned to the Agency and began working in the CI Branch of the Special Affairs Staff.

3. Mr. Piccolo has demonstrated an aptitude for CI and FI operations and is one of the most promising younger men in the CI Branch. His performance since returning from military service has been superior in all respects.

4. I am happy to recommend Mr. Piccolo for promotion.

Director of Personnel
Central Intelligence Agency
2430 "E" Street, N.W.
Washington 25, D.C.

Dear Sir:

In accordance with the instructions I received upon departing the Agency for Military Duty, I hereby apply for reinstatement with the Agency, effective 27 August 1962. My Unit is scheduled for discharge on 24 August 1962.

Since 1 October 1961, I have been serving on active duty with the United States Air Force in the 121st Tactical Fighter Squadron which is a part of the 113th Tactical Fighter Wing, and have been stationed at Andrews AFB, Washington, D.C. with the exception of several TDY trips as noted below. I have not left the continental limits of the United States in this tour of Active Duty.

16 Oct 61 to 3 Nov 61	Nellis AFB, Las Vegas, Nevada
27 Nov 61 to 2 Dec 61	Myrtle Beach AFB, Myrtle Beach, S.C.
12 Feb 62 to 17 Mar 62	Myrtle Beach AFB, Myrtle Beach, S.C.
2 May 62 to 11 May 62	Robins AFB, Warner-Robins, Ga.

My duties have been as an Administrative Specialist, first in the Unit Maintenance Section then in the Unit Orderly Room, with an additional duty of acting First Sergeant and Disaster Control NOIC.

My financial situation dictates that I return to gainful employment at the earliest possible date, ergo the request for 27 August 1962. However, the need to attend to some personal affairs will require that I be absent from Washington D.C. for the week of 3 through 7 September 1962. Therefore, if at all possible, I would like to be placed on five (5) days of advanced annual leave for 3 through 7 September or five days LWOP. If neither of the two aforementioned requests can be granted, then I request reinstatement effective 10 September 1962.

I do not anticipate any further travel from the Washington D.C. area prior to my release from active duty and will be available for personal interview if desired. I may be contacted at the following address and phone number:

Dear Sirs:

On 4 October 1961 I separated from the Agency as I was called to active duty with the United States Air Force in the defense mobilization. I left my annual leave, sick leave, and retirement accounts in escrow status as I planned to return to the Agency upon release from the military. I still intend to return to the Agency. However, I would now like to be paid in coin of the realm for the amount of annual leave which I left in escrow. It is further requested that my sick leave and retirement accounts be maintained on an escrow status.

Please forward correspondence on the above to the following address:

OFFICE OF THE
DIRECTOR OF RECORDS

BSGT Joseph S. Piccolo, AF#2928914
121st Tactical Fighter Squadron
Andrews Air Force Base
Washington 25, D. C.

Dear Mr. Piccolo:

We have reviewed your Agency personnel file in connection with your military separation which was effective 4 October 1961.

Our interpretation of Comptroller General rulings indicate that the provisions of Public Law 87-378 would preclude any further military leave for employees in your category during the calendar year 1961. However, this is not viewed as erasing your entitlement to military leave in 1962 for this period of active duty.

Our records reveal that you were granted 3 days military leave in October 1961 for this tour of active duty, and accordingly, we believe that you are entitled to an additional 12 days of paid military leave.

We have enclosed an Application for Leave (Standard Form 71) for your signature and return to us. We will complete the form for you and forward it to your office for their approval.

Very truly yours,

H. F. Heggen

MEMORANDUM FOR: Joseph S. Piccolo

VIA : Chief, WH

1. The problem of effective management of the operational records of the Clandestine Services is one of our most important responsibilities. In this connection, you have been selected by your Division, and authorized by the Clandestine Services Records Committee, to act as Records Officer for your component. Your selection is based on your professional qualifications to carry out an assignment requiring experience, judgment, and a knowledge of the objectives of the Clandestine Services. A copy of this memorandum will be placed in your official personnel folder to record your appointment as Records Officer.

2. You are to act on behalf of your Division or Staff element in authorizing the destruction of material of no value to the Clandestine Services in accordance with criteria established for this purpose. You are empowered to authorize the destruction of documents and index cards recommended for destruction by other members of your Branch, and to desensitize KAPOK and RYBAT material which is no longer sensitive or which has been restricted in error. Your signature will be recognized by RID as that of an officially appointed Records Officer.

3. At the meeting of 15 March 1960, you were briefed on the details of your duties as Records Officer. It is now considered that you will be able fully to execute your duties as Records Officer and thus make a real contribution to the CS Records Management Program.

Mr. Joseph S. Piccolo
2210 - 20th Street, N. W.
Washington, D. C.

Dear Mr. Piccolo:

We are pleased to inform you that your appointment with this Agency has been approved at Grade GS-4, salary \$3415.00 per annum.

Your permanent employment will depend upon the completion of the following processing at the time of entering on duty: taking the oath of office, signing a loyalty affidavit, participating in a final security interview and completing a medical examination which will include determination of physical health and emotional stability. Should anything of an unfavorable nature arise during this period, your employment will not result in a permanent appointment.

We hope you will be able to join us at an early date. Please telephone Mrs. [redacted] on Executive 3-6115, extension 2781, as soon as possible, in order to arrange an entrance-on-duty date. If at all possible, we would appreciate your selecting a Monday.

Please report to the Receptionist at Curle Hall at 8:15 a.m. and ask for Mrs. [redacted] on the reporting-for-duty date that you establish with this office. Curle Hall is located at the intersection of 23rd Street, Independence Avenue, and Ohio Drive, S. W., with entrance on Ohio Drive.

The gross salary quoted will be subject to deductions for Federal income tax and 6½ percent for the United States Civil Service Retirement Fund. In addition, the benefits of low-cost group life insurance are available to Federal civilian employees. The enclosed pamphlet outlines the features of the program and lists the amount which will be deducted from your salary each pay period for this term insurance. This insurance is not obligatory. However, if you do not wish coverage, which is automatic, you should sign a Waiver of Life Insurance Coverage form at the time you enter on duty.

14-00000

You will not receive a pay check for approximately four weeks after your entrance on duty.

If you have any problems, Mrs. will be glad to discuss them with you when you call.

Very truly yours,

G. M. Stewart

Mr. Joseph S. Piccolo
2210 - 20th Street, N. W.
Washington, D. C.

Dear Mr. Piccolo:

A review of the medical history information which you submitted indicates that for proper medical evaluation it is necessary that you come to our medical office for a pre-employment medical examination which will include determination of physical health and emotional stability.

An appointment may be scheduled at 8:30 a.m., on any Tuesday, Thursday or Friday. Please advise Miss Ruth Griffin by letter, 2430 E Street, N.W., Washington 25, D.C., or by telephone EXecutive 3-8115, extension 2781, of the date you will be able to report. We would appreciate your giving us at least two weeks advance notice. When you come for your examination, please report to our Medical Office in Central Building, 2430 E Street, N.W. Inasmuch as some parts of the examination are given in the morning and others in the afternoon, it is necessary that you plan to be here the entire day.

We will not be able to reimburse you for any travel or incidental expenses which you incur for this purpose.

CENTRAL INTELLIGENCE AGENCY
WASHINGTON 25, D. C.

Applicant Information
Sheet No. 1

To all persons applying for employment
with the Central Intelligence Agency:

This paper is the first step in applying for employment or consultant status with the Central Intelligence Agency. No application may proceed beyond this first step if the applicant is not in agreement with the conditions stated below:

General Considerations:

1. The National Security Act of 26 July 1947 (Public Law 253, 80th Congress) which created the Central Intelligence Agency places upon the Agency the responsibility:
 - a. "to advise the National Security Council in matters concerning such intelligence activities of the Government departments and agencies as relate to the national security;
 - b. "to make recommendations to the National Security Council for the coordination of such intelligence activities of the departments and agencies of the Government as relate to the national security;
 - c. "to correlate and evaluate intelligence relating to the national security, and provide for the appropriate dissemination of such intelligence within the Government . . . ;
 - d. "to perform, for the benefit of the existing intelligence agencies, such additional services of common concern as the National Security Council determines can be more efficiently accomplished centrally;
 - e. "to perform such other functions and duties related to intelligence affecting the national security as the National Security Council may from time to time direct."

14-00000

The special character of this national responsibility requires the Agency to maintain correspondingly special employment criteria which may be different from the routine or normal employment standards of other Government departments and agencies which do not have the highly sensitive responsibility borne by the Central Intelligence Agency. It follows that the investigation of applicants, prerequisite to their acceptance is a time-consuming process which, in addition to loyalty and security checks, includes evaluation of competence, physical and emotional fitness, and availability of a suitable position at such time as employment may be offered. This is called "clearance" of an applicant.

2. Investigation of an applicant may reveal something which prevents his clearance - perhaps something of which the applicant is genuinely unaware, perhaps something which only the special employment criteria of the Agency make unacceptable. In any event, adverse findings by the Agency are conclusive and final so far as the Agency is concerned, and no statement of specific reasons is made to the applicant.

3. Employment by the Central Intelligence Agency is not a right upon which an applicant can insist. Offer of employment which is subject to full clearance does not constitute a commitment on the Agency's part giving an unsuccessful applicant grounds for any claim against the Agency. Acceptance of employment upon the condition of clearance is at the applicant's risk, taken with the knowledge that a very substantial percentage of applicants are not cleared.

Statement of Understanding
and Agreement

I have read, understand, and agree to the foregoing General Considerations. If not accepted for employment by the Central Intelligence Agency, I will make no claim or demand in conflict with those considerations.

I have also seen and read Applicant Information Sheet No. 2.

Office Memorandum • UNITED STATES GOVERNMENT

TO : Record

DATE 29 Oct 57

FROM : S. Richelderfer

SUBJECT: Piccolo, Joseph Stephan

Subject was advised this date that the Agency would request a directed deferment. He was told the meaning of a "directed deferment" and advised not to contact his local board and they will not contact him. He was sent to see Captain Noble in Reserve Affairs Branch. Captain Noble was not in and subject was interviewed by Sgt. MacKenzie. I talked to MacKenzie and stressed the fact that subject should be advised to be sure to drop out of the National Guard. MacKenzie said that he would have to request to be put in a standby reserve status. This seems to be a satisfactory arrangement, since we are requesting a directed deferment, the L.B. will not contact Piccolo.

MEMORANDUM FOR: Deputy Director of Personnel

SUBJECT: [redacted] Clerical Requirements

1. PAD has attempted to locate two suitable candidates for the WH vacancies who will not be eligible for the draft. Machine runs were used, as were file referrals, checks with appropriate Administrative and Personnel representatives in Agency components, and a thorough screening of Tables of Organization. A total of 25 individuals at the GS-5 or lower level were checked out. One candidate was located, a Mr. [redacted] Clerk, GS-4, with WE. He has been accepted by the Division for the January requirement. The January deadline was chosen for him because he will be able to pass the typing requirement for [redacted]. We had no success in finding a candidate for the 1 November deadline. All of the others were disqualified, largely because of marriage, unwillingness to accept the assignment.

2. Under the circumstances, it is recommended that Mr. [redacted] be processed against the January requirement and that Mr. Joseph Piccolo, who was originally submitted for the November departure, be processed for the assignment, and that a directed deferment be requested for him.

Mr. Piccolo's work experience in LA Division and Cuban operations, his inquisitive instincts, his activist style, and his keen analytical skills, superbly qualify him to serve as the senior CI Staff coordinator for LA Division. One obvious measure of his strong, continued effectiveness, is that in any given week he receives more requests for guidance, CI file reviews, and other forms of CI support, than any of our other area division coordinators. On the other hand, because of his in-depth, across the board knowledge of LA's operational activities, he represents a unique resource to C/CI when the latter has to respond knowledgeably and rapidly to inquiries from the DDO level on LA related matters. On that score alone, C/CI has commented on his deep satisfaction with Mr. Piccolo's impressive performance.

During the year, Mr. Piccolo led the team which [redacted] and [redacted] and [redacted]. The final report was well received by the Division and the [redacted] of the team's [redacted]. As with other [redacted] reports, the [redacted] study was forwarded to the DDO and the DCI for their information. Mr. Piccolo is one of the more experienced [redacted] officers, having participated in or led [redacted] in AF and LA Divisions.

COMMENTS OF REVIEWING OFFICIAL Mr. Piccolo is a very competent, serious and ambitious officer. As the senior CI coordinator for LA Division, he has represented the Staff extremely well and, more importantly, has ensured rapid, professional and informed follow-up on counter-intelligence problems and leads in that active area. He knows his client division well, his advice and support are regularly sought, and he has an unusual ability to penetrate to the essentials of a given operational matter. All with whom he deals in LA Division hold him in high esteem.

The operational traffic Mr. Piccolo screens for the "front office" is usually accompanied by pertinent insights on the significance of the development or event reported. He has been praised more frequently for his commentaries than any of our other coordinators, which is another reflection on his intimate familiarity with the LA operational scene. Numerous examples of his productive and versatile service to the Division and Staff can be cited but we will note for the sake of brevity only three to underscore our point. (1) For the past two years he has been the guiding and principal referent on a joint Agency/FBI proposal which would [redacted] to

(2) This past summer Mr. Piccolo was temporarily assigned to assist NE Division as a consultant, because of his [redacted] expertise, in a case involving a [redacted]. Ultimately Mr. Piccolo participated directly in the [redacted] assessment process, and was a key factor in finally persuading the [redacted]. Finally (3), he has quite justifiably earned the reputation (per student critiques and faculty commentary) as one of the most effective instructors on the CI Staff. He lectures regularly in the CI and BOC courses, and participates in the [redacted] and [redacted] seminars for our military and FBI colleagues.

Again, Mr. Piccolo's performance during this past year, as in previous years, reflected a sustained superior effort, which, I am convinced, will continue to be the pattern in the future.

SECTION E. REVIEWING COMMENTS (continued)

Rating officer properly highlights Mr. Piccolo's determination and perseverance in pushing a major joint CIA-FBI program through Washington's often unbelievable bureaucracy. A lesser man would have thrown in the towel long ago. Mr. Piccolo, understanding the importance of this proposal, was determined to "hang in there;" success resulted.

A veteran CI [redacted] officer, Mr. Piccolo headed a team [redacted]

Major contamination via Philip Agee has severely limited this officer's ability to serve in his area of specialty, Latin America. Nonetheless, we need to identify in the not too distant future a challenging overseas assignment that will take advantage of his impressive operational skills and experience. He is patently an officer with highly developed on-the-street instincts and, if he is to achieve his considerable potential, needs additional overseas postings.

In the meantime we are fortunate indeed to have him on our Staff; he is one of our best. I unhesitatingly concur in the Rating Officer's letter grades and narrative comments.

In terms of Specific Duty No. 1., Mr. Piccolo has had several field station assignments in LA Division plus several at Headquarters. This Fitness Report is one of the most thorough and balanced from a substantive view which I have reviewed in some time. I find it to be accurate from my perspective and reflects my own contention that Mr. Piccolo is for his grade one of the most productive, aggressive and versatile officers we have in the DO.

Earlier this year Mr. Piccolo received a QSI in recognition of his fine performance on the CI Staff during the previous year. There is no question that a sustained superior effort on Mr. Piccolo's part will continue to be the pattern in the future. He has a prosperous career ahead of him.

Mr. Piccolo is an experienced and professional officer requiring a minimum of supervision. He is aggressive, imaginative and has demonstrated his initiative. He writes well and is even stronger in his verbal skills. He can defend his position vigorously and skillfully but is disciplined and will accept the final decision if contrary to his own view without growling. He has an engaging personality. COMMENTS OF REVIEWING OFFICIAL

I fully concur with the comments of the supervisor. I have been most pleased with the manner in which Mr. Piccolo has moved in and taken over the management of his branch in the absence of the branch chief who departed with little warning. Mr. Piccolo is a hard-nosed, honest evaluator of CI problems. He has, however, the ability to manage problems and people with tact and professionalism.

Although Mr. Piccolo's field exposure has been exclusively in the Latin American area, he has a widely varied operational background, having served in varying operational capacities [redacted].

[redacted] His personality is positive and outgoing, and in most instances he is able to initiate very quickly a [redacted]. He is adaptable in outlook and reads quickly and with understanding; qualities almost indispensable in an [redacted]. In sum, Mr. Piccolo [redacted] with enthusiasm and a sense of responsibility, completed his written report (he had a different partner in each case) promptly and accurately. He undoubtedly would have been [redacted] except his temporary tour ended and he was assigned permanently elsewhere in the Staff.

In his duties in the Special Operations Branch, Mr. Piccolo has excelled in his management responsibilities in the sense of both getting the work out of his people and in getting along with them. He is on good terms with all of them. He has shown good CI mentality and a thoroughness which is essential to good CI work. His dedication to his work is shown by his punctuality in the morning and his presence in his office well after five most evenings. His production as operations officer has been steady and thorough for both of the projects for which he has responsibility. Unfortunately, he experienced a period of ill health following a hectic TDY; however, he returned to duty at the first opportunity and resumed his duties with vigor. His versatility was recently demonstrated by his participation in a joint meeting with [redacted] over a period of several days and evenings during which he proved fully effective in achieving Agency objectives in a [redacted] and social environment.

The most impressive aspect of Mr. Piccolo's performance and one deserving special mention in this fitness report is his ability with the written word. It is fully accurate to say that the [redacted] reports to which he contributed were much better written than were those of his peers. He has the ability to describe an operational situation in terms which are at the same time meaningful, concise and easy to read. It is a pleasure to read his material and to compliment him on this ability in this report.

It is suggested that this Officer's contribution of only [redacted] (at the very end of his tour of duty) could well be more meaningful and productive than the efforts of a super-salesman whose [redacted] later prove to be marginal or useless.

DUTY NO. 2

Subject conducts Station [redacted] with [redacted] contacts. His main job is the maintenance of the [redacted] an effort handicapped by [redacted] considerations which oblige him to take but never give, to cancel scheduled training, and to maintain a [redacted]. Nevertheless, he does manage to [redacted] of interest on the [redacted] and [redacted] targets, and the [redacted] does provide him with [redacted] certain [redacted]. Additionally, this Officer shares the task with the COS of [redacted] an even more difficult, and less productive effort. Subject's warm and winning personality and extensive experience are key factors in his ability to [redacted] at all, which results in clear net gain to the Organization.

DUTY NO. 3

DUTY NO. 4

In this very small Station, the DCOS function is not a critical one, but when obliged to exercise his authority in this

NARRATIVE COMMENTS (Continued)

function, Subject has done very well. More importantly, in his several stints as ACOS (during COS illness which required hospitalization and medical consultations out of country), Subject really shone in his performance. He was obliged to deal with the most difficult [redacted] ever encountered by this rater, and represented and protected Station interests with skill and dignity.

Subject requires little supervision, by virtue of his thorough knowledge and extensive experience in practically every aspect of the mechanics of clandestine operations in Latin America. His avocation is "Administration", in the full sense of the word, and he administers his work load impeccably. The assignment just completed was his first command job, and he has acquired the additional managerial skills necessary for him to progress in his career. There is no question of his additional potential, and it is natural to envision him as a Deputy Chief of Station at a larger Latin American Station, or, better, as a Chief of Base in his next field assignment. He is above average in security and cost-consciousness. He is fluent not only in Spanish, but also in Portuguese, and more importantly, in human relations. He can establish rapport with people at all levels of society.

His personality is a pleasant one. He is low-keyed, soft-spoken, sincere and methodical and establishes natural excellent rapport with his co-workers, both subordinate and superior. While easy to get along with, he still knows how to effectively administer training, guidance, advice and discipline to his subordinates without alienating them. This rater has gotten on well with Subject. His experience, self-confidence and directness are such, however, that he might well be difficult to supervise if there were any kind of personality clash involved. In sum he knows what he is doing, and would be inclined to reagent and testat advice or guidance which he might judge as unround. While some might consider the trait a shortcoming, this rater considers it a strength, overall.

NARRATIVE COMMENTS (Continued)

If forced to search for a deficiency in his performance over the past fourteen months under my supervision, it would be necessary to point to a weak showing in operational and representational [redacted]. In the former category, particularly, he could have spent more [redacted] and [redacted] with [redacted] and other [redacted] purposes. In his regular work hours, however, which included some nights and weekends, he was more than gainfully employed in the accomplishment of his assigned duties. He is not a clock-watcher, but stays with the [redacted] and [redacted] as well as with the paperwork until they are completed.

This Officer is the victim of personnel requirements, which has resulted in an Organizational failure to challenge his talents and ingenuity. His re-assignment to the Cuban Operations Section next, for example, will be his fifth assignment in that area in 15 years. It is recommended that he obtain rotational experience in another geographical or functional area, to broaden him.

(The following is directly keyed to Subject's "Letter of Instructions")

As ACOS he has demonstrated a thorough understanding of Agency policies and regulations. He works well with those he supervises and has exhibited unusual patience while diligently instructing and correcting employees. During my absences, he has worked well with Senior members of the [redacted] and has been accepted by [redacted] Station personnel alike as a mature, sensible and experienced officer.

As [redacted] Officer for the Station, he has done an excellent job of improving the effectiveness of the "Special Unit" by offering his expertise, improving their physical working conditions and convincing them to expand their horizons. The unit appears to be responding well to his leadership and should prove more productive in the future.

His handling of a sensitive [redacted] has resulted in obtaining what information the [redacted] Although categorized as a [redacted] the operation is more that of a [redacted] to clarify certain situations and events rather than an aggressive [redacted] This is a [redacted] contact with whom a good working relationship must be maintained and such a relationship does exist.

He has made very little progress in operations against the [redacted] target. Subject inherited very little in sources and has not developed any new prospects. (Continued)

COMMENTS OF REVIEWING OFFICIAL

This seems to be a fair report which rates Subject about the same way that I would, based on my understanding of his performance. Subject is a mature and competent officer who does a fine job of handling existing operations and administrative tasks but has not been very aggressive in developmental work. The [redacted] atmosphere [redacted] may not be very inspiring operationally, but new business is needed and Subject is believed to be capable of turning in a stronger performance in that area. He has the potential for further career advancement.

Section C - Narrative Comments (Continued)

Subject's performance is strong in handling the present [redacted] sources directed against the [redacted] target. Specifically, he has a thorough understanding and knowledge of the [redacted] and [redacted] Subject, however, has not made an effort to develop new potential sources.

In summation, it is clear that Subject has the background, experience and knowledge to perform the tasks in an outstanding manner. Some of these tasks, those that interest him most, he does very well now; Others, that he has determined are not of sufficient value or interest, he disregards. Where Subject must take steps to improve is in his overall attitude towards work to be accomplished. This being a very small station can be a handicap to an officer who must work harder to produce the little intelligence of interest that is available. Subject must spend more of his free time among the [redacted] his contacts, contacts that could result in the development and recruitment of new sources.

Subject is well liked and accepted by the American Community. He and his wife entertain well and his good command of the local language makes him a strong member on this very small team.

Subject keeps excellent records and has done much to improve the records management of the Station. He is careful with organizational funds and his bookkeeping is consistently up to date.

Subject is an exceptionally responsible and mature officer who also combines with these virtues outstanding ability in the fine tuning, analysis and direction of highly complex human cases. During the period under review he handled a most complex and delicate [redacted] and [redacted] of a [redacted] ALSOBER [redacted] with CKPOLAR ramifications with a substantial degree of success. He has also served, in his capacity as deputy base chief, as counsellor and provider of guidance to case officers concerning virtually all of the Base's operations and particularly the more complex and difficult agent cases. His unusually keen intuition and perceptiveness have consistently helped the Base to avoid pitfalls and recognize important but obscure operational factors. His operational judgement is extremely sound.

During the period under review Subject has had an opportunity to demonstrate his ability as a supervisor and the results have been impressive. He is naturally careful and thoughtful as well as objective in his dealings with people and he adds elements of sensibility and sympathy as well which enable him to get good responses and inspire confidence. Case officers and other personnel tend to gravitate to him naturally seeking help and guidance and he gives of himself generously in these situations. He has shown excellent leadership potential also during the occasions on which he has taken over as acting base chief and has not been afraid to take

COMMENTS OF REVIEWING OFFICIAL

I concur in this excellent rating in all respects. The performance of this fine officer has been superior. He played a crucial role at the Base. He is a strong considerate supervisor with potential for growth. The failure to get out [redacted] during the past year (I am not familiar with previous experience) can be partly attributed to immersion in the complex, time consuming surfacing/disposal case, but must also be attributed partly to his personality (or at least his mood at that stage of his tour). Subject is perhaps more comfortable, or seemed to be during the rating period, handling going agents [redacted] which he does superbly, (continued)

new initiatives during these occasions, after due thought and consultation, if he thought they were warranted. And he has been an excellent judge of men (and women) and their quality. In [] [] LNFALL, its various LNBUZZ agencies and [] [] he has [] and image well while seeking fair and practical answers and solutions. He has a good sense of economy in monetary as well as other affairs. As he becomes more senior and more exclusively a supervisor and executive he should become more and more effective.

Subject is an excellent operational manager and agent handler who gets the best out of his assets. He is probably not so strong as an operational starter and developer and this appears to be due in part to an instinct to avoid exposure and eschew the glad hand. On the other hand, he has undertaken [] rather difficult [] operations starting from scratch during the past six months and has at least proven that he can do this kind of work when it is necessary. In both these cases he may have tried to move too fast in order to reach [] before his departure but this is understandable. His written work is well conceived and conscientious and perhaps even somewhat above average for case officers of his grade and experience. Like most BKHERALD officers, however, he does not take sufficient pains to achieve simple, clear, forceful expression with the result that, while his best efforts are effective his second best is apt to result in lack of organization and clarity. He should work on this - a suggestion might be that he practice avoiding metaphors and adopt a straight declarative sentence style.

In conclusion, Subject's performance has been first class in the most important respects and his relatively minor weaknesses are not incurable. He should have an excellent future as a senior case officer and supervisor, particularly if he attacks and cures these weaknesses. His overall performance in his present tour has been very strong indeed.

plotting operational strategy (another very strong point), advising less experienced officers (he demonstrated considerable talent here) than he is. [redacted] Subject clearly has the brains, the poise, the empathy and the all-around appeal to do so. There is no doubt about his being able to devise and [redacted] He did not, however, get to the "critical" point during this past year and he understood the priority which Division and Station management was attaching to [redacted] Subject more than earned the promotion to GS-13 recently accorded. In my judgment he should be given the opportunity to move quickly to the next higher grade. In many aspects of the Base/Station mission he has already demonstrated to my satisfaction that he has the ability to become a valued senior officer of our organization. At an appropriate point he should be a candidate for senior school training.

If extra space is needed to complete Section C, attach a separate sheet of paper.

Subject continues to be one of the strongest officers in the Base and will undoubtedly be a solid left backer as number [redacted] officer under the new staffing pattern. His judgment is considered and sound, his operational savvy, experience and talent invaluable. His supervisory functions have changed somewhat since last evaluation, and he now handles [redacted] officers (rather than [redacted] and [redacted] case officer) who in turn handle a variety of operations including [redacted] as well as [redacted] and [redacted]. As we have noted in past fitness reports, he is an intelligent supervisor with a capability for lighting fires under his charges when necessary. His thorough knowledge and understanding of the ALSOBER and ALPALOOKA fields has earned him the respect of all his colleagues.

Like the rest of us, he is not perfect, of course. His performance over the past year has been less strong on the operational development side and he should shift some of the emphasis of his efforts in this direction in order to achieve a better balanced performance. This will not be easy because at present he is unavoidably saddled with some serious and complex operational problems (not of his own making) and the demands of his [redacted] supervision are heavy. However, he is capable of adjusting his time and putting out the necessary effort and we have

Subject is perhaps the most mature, dependable and competent case officer we have. He has excelled in the handling of intricate, sensitive [redacted] operations where the highest professional standards are demanded. He carries a very heavy work load lightly and is a prodigious contributor in both operational and information reporting. His performance as a supervisor has been characterized by conscientiousness, a good sense of detail, perceptiveness, fairness and firmness. He is at his best in practical situations, however complex and obscure, rather than in dealing with philosophical or theoretical problems but this is obviously more a matter of inclination, than of intellect. He is highly respected and appreciated by all his colleagues and especially by this supervisor.

Subject is under grade for his performance, experience and responsibilities. He is of all the Base officers most deserving of a promotion. A separate recommendation to this effect is being forwarded.

LANGUAGE TRAINING AIMS AND EVALUATION CRITERIA

The general aim of this course of study was to provide the student with a command of a foreign language in a skill and at the level set by the sponsoring office. Speaking, aural comprehension and reading comprehension, as required, were emphasized. Fluency and accuracy were given equal importance in training and in evaluation of the student. Cultural matters were covered only incidentally.

This student evaluation is based on (1) Instructor and Linguist observations; (2) regularly administered oral and written achievement tests; (3) a final comprehensive achievement examination. The achievement rating reflects only performance and achievement in the course and is conditioned by the length of time the student spent in training, achievement potential based upon his or her aptitude for language study and upon motivation. This rating should not be confused with the Proficiency Rating which is submitted separately on Form 1273, Certification of Language Proficiency.

PROGRESS IN ACHIEVING COURSE AIMS

(Overall progress in the course is shown as unsatisfactory, marginal, satisfactory, above average, superior when compared against established standards for such training).

Speaking	Aural Comprehension	Reading Comprehension
ABOVE AVERAGE	ABOVE AVERAGE	ABOVE AVERAGE

PERFORMANCE EVALUATION

This student, with no experience in [redacted] held his own extremely well in a class with three other students, all of whom had had previous training in the language.

He did especially well in pronunciation and soon succeeded unusually well in eliminating any interference from Spanish. Because of his knowledge of Spanish, the student's ability to read and understand is greater than his ability to speak.

His mastery of the course material was very good. His oral use of the language was generally limited to short sentences. In longer sentences he had a tendency to get lost in mistakes of syntax. He was almost always aware of his mistakes and would correct them himself, at the completion of a sentence. He always responded well to correction.

The areas in grammar presenting problems were 1) use of the subjunctive 2) a tendency to overlook, or sidestep, idiomatic expressions 3) failure to

use the preposition with certain verbs requiring the use of a preposition with dependent infinitives.

In my judgment, the student already has the ability to use the language effectively in basic, every-day situations. After a matter of months in the foreign environment he should be able to function effectively in all job-related situations. Because he was extremely diligent and conscientious, he would be an excellent candidate for further language training.

(This report is being written not by, but after consultation with, Subject's immediate supervisor, who is temporarily assigned elsewhere. The writer is one step removed from immediate supervision of Subject and has worked with him only since October 1969. In what follows, there is no difference of opinion between the supervisor and the writer, and statements not specifically attributed to one or the other represent the judgment and observation of both.)

Subject is an experienced officer whose primary field, [redacted] is by definition difficult and frustrating and has recently become more so owing to developments beyond his control. Despite this situation he has continued to support successfully the most productive [redacted] that the Agency has.

The [redacted] of a major [redacted] during the reporting period was due not to any deficiency on Subject's part but rather to a general lack of Agency control over the operation from its inception. In any case, it is to Subject's credit that he wrote a candid and thorough [redacted] report on the case (Writer).

COMMENTS OF REVIEWING OFFICIAL Based on 3 months experience in dealing with subject I have found him to be a thoroughly professional operations officer who shows good judgement and makes good use of his field experience in carrying out his function as COG's [redacted] case officer. He performs with a minimum of supervision and is most perceptive in monitoring activities and events related to his area of activity. I believe Mr. Piccolo has considerable potential for moving up to more important positions.

NARRATIVE COMMENTS

Subject's in-house liaison has been effective, as has his liaison with the [redacted] (Supervisor). It does not appear that liaison with the [redacted]

[redacted] of operational matters has been used to its fullest potential, although it should also be noted that this responsibility is not purely Subject's.

Subject appears to be a thoughtful and effective supervisor who is concerned with the further training and development of those under his supervision (Supervisor).

This officer made excellent progress in working with the [redacted] and was notable in his efforts to organize, train, and direct rather than simply sit back and accept the intelligence product. His [redacted] is the single most important operation of Station [redacted] and it could not have been in better hands. His [redacted] of the [redacted] were based on mutual friendship and respect and [redacted] was sorry to see him leave as was the Station. He also earned the friendship and respect of his colleagues and [redacted] personnel of all levels and had rare success in his dealings with administrative personnel of the [redacted].

It is difficult for the rating officer to stand back and be flatly objective about this fine employee who is a friend of many years standing and who impressed the rating officer years ago as an officer of rare potential. His tour in [redacted] was cut short by a personal tragedy (illness and death of a minor dependent) which set into motion a transfer which could not later be reversed. Despite the pressures of this tragedy, this employee performed at a high level throughout this service in [redacted] and both he and his charming wife proved outstanding examples of "true grit." His tour in [redacted] proved him once again to be a mature, competent professional who should be able to advance to high positions in the organization. He accepts responsibility well--acted without hesitation.

(when serving as Acting Chief of Station during the COS' absence on home leave. He has rare ability to see the relevant and has the courage of his convictions--will argue a point. Physically slow moving--given to ambling like a tired old bear--he can be quite deceiving in an age which seems to specialize in rapidly moving young men-on-the-go. There is no wheel spinning about this officer and no sham. He has his eye on the future and moves along relentlessly in that direction. Obstacles bother him but don't deter him. He is in short a steady, dependable man with forward momentum.

One area in which he could use some improvement is in his writing. This has been discussed with him. The rating officer has recommended that he take a course in effective written English. His writing is at times vague and convoluted.

His fine performance was rewarded in September 1968 with a much-merited grade promotion so he cannot be recommended for promotion at this time. It is recommended, however, that he be given a position with head room to allow for advancement to higher grade as soon as he is eligible. The rating officer would be pleased to serve with this officer at any time, any place.

NARRATIVE COMMENTS

Indicate significant strengths or weaknesses demonstrated in current position keeping in proper perspective their relationship to overall performance. State suggestions made for improvement of work performance. Give recommendations for training. Comment on foreign language competence, if required for current position. Amplify or explain ratings given in Section B to provide basis for determining future personnel action. Manner of performance of managerial or supervisory duties and cost consciousness in the use of personnel, space, equipment and funds, must be commented on, if applicable. If extra space is needed to complete Section C, attach a separate sheet of paper.

This young case officer has displayed considerable professionalism after only a relatively short time in the clandestine operations field. He is very versatile and resourceful and has shown a high amount of initiative. He is at his best as an agent handler and has developed close relationship with the assets entrusted to him. He has been helped in this by a high degree of fluency in Spanish and his pleasant personality. His reporting, particularly his cable writing still leave room for improvement, but on the whole, this officer has been one of the mainstays of the PBRUMEN Section during his tour, which unfortunately has been marred by poor health.

COMMENTS OF REVIEWING OFFICIAL I fully concur with the comments of the rating officer. Subject is an excellent case officer suitable for assignment either outside or under official cover. He needs further training in written staff work, however, and at a convenient moment in his career would benefit greatly from intensive training in reports writing, rapid reading, and related subjects.

This employee has continued to perform in the manner described in detail under this section in the last fitness report prepared by the same rating officer (May 1966). He has had to assume an even heavier work load owing to the imminent transfer of his supervisor whose ~~own~~ ^{NAIL-ROOM} assets have of necessity been turned over to this employee. His health has not improved as expected and it is felt that he should be sent to HOLADY for a complete medical check-up as soon as he can be spared for the time required.

Once again, it is recommended that this officer be promoted as soon as possible to GS-11.

This employee has turned in a consistently fine performance since his assignment to Mexico City. Every going operation assigned to him has shown marked improvement under his tutelage, most notably the PERUMEN [redacted] which has finally developed into a highly productive enterprise under the guidance of this officer. He is handling a sensitive PERUMEN [redacted] case in a most professional manner. His operational reporting is exemplary and his writing style, once somewhat obtuse, has shown steady improvement. Despite a relatively short period in the role of field case officer, he has won the admiration and respect of colleagues and agent assets alike. He has a winning way with people - a reflection of his sincere interest in them. He has a high degree of initiative and drive, is imaginative and resourceful. In operations he shows a welcome degree of aggressiveness. His supervisory ability, except as exercised indirectly through others, has not yet been sufficiently put to the test to enable the rating officer to make a determination, but it appears that he already possesses the essentials of a good supervisor. He has had some health problems in Mexico but in spite of these has not let up in any way in his work. Indeed, one wonders what he would be capable of if he were in perfect health given the high level of performance to date.

It is a pleasure for the rating officer to go on record as stating that never in his 18 plus years with the organization has he had the pleasure of serving with a more promising young case officer.

It is recommended that he be promoted to GS-11 as soon as eligible.

In addition to the period covered by this report (Oct 65-May 66) this employee served at the Mexico City Station in TDY status from April 65 to Aug. 65. His performance during this time was also taken under consideration in the preparation of this report.

COMMENTS OF REVIEWING OFFICIAL

The reviewing officer concurs in the comments of the rater. I have observed this officer closely during his tour at the Station. He has largely overcome a tendency to freewheel somewhat and shows an increasing willingness to accept guidance from more experienced officers. Compared with other officers of the same grade at this Station, it is my belief that his overall performance should be rated O rather than S.

In the Station's view he is a young officer who should advance steadily and with more experience should be able to handle a demanding assignment.

OFFICE OF PERSONNEL

Dispatch HMMT - 5685 dated 13 August 1965 from COS - Mexico City

DEC 14 1 51 PM '65

" In view of the fact that Subject's recent service in Mexico Station was done while he was on TDY, this Station is not in a position to prepare a fitness report covering Subject's performance for the period. Since he was absent from Headquarters, it is felt that he might possibly not be credited for his fine work unless the Station expresses its views.

" Subject plunged into work with the PERUMEN Section immediately upon arrival and was given a wide variety of assignments ranging from [redacted] on a rainy street at 4:00 a.m. to the preparation of operational reviews. He was given a number of existing agent assets to handle with a minimum of overlap with the previous case officer. He performed very well in every instance. He is able, enthusiastic, and capable of carrying a large work load. His colleagues in the office and his agents and contacts outside found him a pleasure to work with. The only weakness noted during his TDY assignment was in his written work--a tendency to be unclear -- but this is something the Station is certain he can work out satisfactorily and it is not a serious shortcoming."

SECTION C

NARRATIVE COMMENTS

Significant strengths and weaknesses and their relationship to overall performance in the Operations Course. This section amplifies and explains, as necessary, the rating letters given above.

Mr. Piccolo's performance throughout the course seldom deviated from the "Proficient" level. His strongest showings were frequently in areas where he used knowledge gained from previous Agency experience together with his natural ability to get along with people in face-to-face situations. He excelled in agent handling because he made an extra effort to establish and maintain rapport, was competent in solving operational administration and support matters with a minimum of guidance, and was imaginative in [redacted] and in establishing clandestine [redacted]. Shortcomings, however, arose in other areas because he occasionally relied too much on his ability to improvise, rather than to spend extra time in analyzing, planning and otherwise preparing for agent meetings.

Mr. Piccolo easily recognized leads of operational or intelligence value, and as the course progressed, displayed marked improvement in his writing of cables, dispatches and reports.

Mr. Piccolo acquired a more than satisfactory knowledge of the principles and techniques taught during the course.

During his training, Mr. Piccolo has acquired a good knowledge of the principles and techniques of clandestine operations. He has demonstrated a good intelligence sense and a particular ability for handling agents.

He has had no supervisory responsibilities yet, and he appears to be cost-conscious as far as the undersigned can judge.

State suggestions made for improvement of work performance. Give recommendations for training. Comment on foreign language competence, if required for current position. Amplify or explain ratings given in Section B to provide basis for determining future personnel action. Manner of performance of managerial or supervisory duties must be described, if applicable.

Employee returned to duty with the Agency in September 1962 after completing a tour of military duty. At that time he was assigned to TFW/CI. Although employee expressed a desire to work in operations at that time, he agreed to perform the duties outlined in Section B. He was called upon to perform these duties because of the dire need within TFW/CI for someone with his talents to establish and manage Branch systems for mail routing-control and files. Employee was promised an operational assignment as soon as the systems were established and functioning in an orderly and efficient manner. Employee has performed his duties exceptionally well and has established systems for mail routing-control, and files for the Branch which are functioning well. It is strongly recommended that this employee be assigned to duties of an operational nature and relieved from his present duties as soon as possible. Employee has the capability of assuming more and greater responsibility.

FOREIGN LANGUAGE APTITUDE AND EXPERIENCE REPORT	DATE OF TESTING
--	-----------------

NAME	OFFICE	GRADE	SERIAL
------	--------	-------	--------

The category checked below is an interpretation of the scores made by the person named above on a battery of foreign language aptitude tests. The relationships between test performance and subsequent training performance of trainees in Agency language training courses are indicated by the graphs next to the aptitude categories. The graphs to the left are for women and the graphs to the right are for men. From these graphs you can read for each aptitude category the probability that a person in that category will perform in an Agency foreign language training course at an average or better-than-average level. For example, 22 percent of the women who obtain an aptitude rating of "8" can be expected to be average or better in course performance, while 5 percent of the men with ratings of "8" can be expected to be average or better in course performance. A man needs an aptitude rating of "6" to have about the same expectation of success in language training as a woman with a rating of "8." At the other end of the scale, 80 percent of either men or women who obtain aptitude ratings of "2" can be expected to do average or better-than-average work in training. The differences in relationship are due to differences between men and women in both training performance and test scores. On the average women are somewhat higher on both.

Since many things other than aptitudes enter into the determination of training course performance, in any class of students there will usually be some whose performance will be better than would be expected from their test scores, just as there will likely be some whose performance is poorer than expected. STRENGTH OF MOTIVATION, PRIOR EXPERIENCE WITH A FOREIGN LANGUAGE, and other factors should be considered in selecting people for language training and in interpreting language training results. For example, the number of languages previously studied or learned and the amount of academic and nonacademic language-learning experience are factors not measured by the tests but are indicative of probable success in learning a foreign language. Whether such experience was in the same language as the one to be studied or in a different one is, of course, an additional relevant factor.

One of Mr. Piccolo's outstanding characteristics is his desire to improve himself. This is evidenced by both his continued educational program on the outside and by his successful effort to learn everything possible about his MAIL ROOM also wants very much to obtain further career training within the DDP area, particularly in the FI field. I believe he has a definite potential for such work and that he should be given an opportunity for appropriate operational training as soon as possible.

His performance while under my supervision has consistently been well above that to be expected of an employee in his present grade, and I strongly recommend that he be promoted at once to GS-8. He has more than earned it.

During the rating period Mr. Piccolo has been performing tasks that are normally assigned to personnel who hold a minimum ^{GS rating of GS-9} ~~GS rating of GS-9~~. Without exception he has performed each of his assignments expeditiously and thoroughly. In addition to his normal administrative functions Mr. Piccolo has been acting as a case officer on certain sensitive and complicated clandestine operations. He has performed these duties in a superior fashion. It is my unqualified opinion that Mr. Piccolo should receive at least a two-grade promotion immediately. However it is recognized that this is contrary to current Agency policy and therefore it is strongly recommended that he be promoted to the grade of GS-7 immediately. Mr. Piccolo is intelligent and extremely industrious. He has worked long hours performing a variety of important tasks. It is my opinion that Mr. Piccolo has the attributes required of career personnel working in the Foreign Intelligence area and that he should be permitted to have his career designation changed to FI. Mr. Piccolo should also be given the opportunity to receive Agency training so that he might be better qualified to perform tasks in this area of activity. There is no question that he would become a professional case officer. The Section C rating has been given after careful consideration of the rated individual's grade and grade level performance.

Since the previous Fitness Report, employee has been designated as the alternate to the Station's Records Officer. During periods when the Records Officer has been on duty elsewhere, this employee has assumed responsibility for the Station's records establishment and performed his duties in a competent manner. Based on these considerations, the ratings contained in Sections B, C, and D were determined. (Note Section D, Items 1, 2, 3, 5, and 10.) Employee needs more experience in the following:

1. The analysis of intelligence material for file categorization (note Section D, Item 4);
2. Records Management techniques;
3. More experience in the interpretation of data in memoranda preparation (note Section D, Items 7 and 9).

His supervisor feels that considerable progress has been made on the points enumerated above, and as the employee gains experience, these weaknesses should reconcile themselves. His supervisor will continue to assign him duties designed to broaden his knowledge and effectiveness in records management. (Cont'd)

MEMORANDUM FOR: Joseph S. Piccolo

SUBJECT : Acknowledgment of Evaluation Board Functional Category

REFERENCE : Evaluation Board Precepts for Your Grade

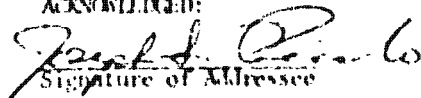

1. Based upon an examination of your past assignments and duties, and after considering likely future assignments, you have been placed (subject to your signature below) in the functional category IXG for Evaluation Board purposes. Precise definitions of this category are contained in the Evaluation Board precepts for your grade. This placement is made in order that your performance, growth potential, and career planning may be judged against officers similarly placed professionally. YOU ARE URGED TO STUDY THE PRECEPTS AND CONSIDER YOUR OWN CASE CAREFULLY.

2. In general, you should consider the following:
 - a. Categories are sharply defined. Competition is within categories, not between them. Thus, a weak B/OG performance is not strengthened by reclassifying it as B/OS.
 - b. A change in category after sustained performance in a different category may cause a temporary loss of momentum in your career advancement until you have demonstrated proficiency in your new assignment.
 - c. A category change should not be initiated for the period of a temporary, training or rotational assignment unless a permanent change of career track will follow.

3. If you believe that this is not the correct category for you because the substantive nature of your job more closely approximates another category or because you have made a permanent change of career track, please take the matter up through your command channel to secure the concurrence of your component of assignment or of your home base component, as appropriate, to a change of your category. Previously assigned and acknowledged categories will remain in effect until a fully executed acknowledgment of change is received by the Career Management Staff.

4. Please sign and date this notification in the space provided and return it to your Personnel Evaluation and Management Officer or to your Personnel Officer.

ACKNOWLEDGED:

22 December 1975

MEMORANDUM FOR: Chief, LA Division

SUBJECT : Mr. Joseph S. Piccolo - Completion of Senior
Operations Course #2/76

1. Mr. Piccolo attended the Senior Operations Course from 3 November to 12 December 1975 (SOC #2/76). Individual student grades and class rankings have not been used to evaluate student performance. The diverse background of the students and the nature of the course material used in the SOC preclude formal testing. This memorandum attests to Mr. Piccolo's satisfactory completion of the course.

2. During the six weeks of the course, 59% of the time was devoted to subjects and activities directly related to operations, including 30% devoted to "hands-on" time with technical equipment and "on-the-street" practice of tradecraft. 31% of the time was devoted to material broadly categorized as "ops management," including about 10% on the Soviet and China targets. The final 10% of the time was devoted to subjects categorized as "management overview and ops support," which consisted of meetings with DO division and staff chiefs and visits to labs and other ops support facilities in the Headquarters area. The [] officers in the class ranged in grade from GS-12 to GS-14 (average grade 12.9), average age was 43.6 (Mr. Piccolo's age is 40). The class members' average years of Agency service was 16.8, and their average years of overseas service was 9.2.

3. The six weeks, normally 30 days of instruction time, was shortened to 28 days by the Thanksgiving Day weekend. Of these 28 days, Mr. Piccolo spent six days in intensive training in Persuasion and Manipulation Skills as taught []. He spent approximately another eight and one-half days on technical tradecraft [] and usage) and street tradecraft [] etc.) including three days intensive practice of these skills in a live exercise conducted []. Another five days were spent at Headquarters meeting with the chiefs of all DO divisions and staffs, and visiting three operational support laboratories in the metropolitan area. The approximately eight and one-half remaining days were consumed by a combination of miscellaneous operations management subjects, student seminars, and term paper writing (though the latter was accomplished mostly on the students' own time). This running of the course was keynoted by remarks by the ADDO, and the Headquarters week was climaxed by an hour and a half with the DDO. The guest speaker at the graduation dinner of SOC #2/76 was Agency Historian Dr. Walter Pforzheimer.

SUBJECT: Mr. Joseph S. Piccolo - Completion of Senior Operations Course #2/76

4. Mr. Piccolo, as a 40-year-old GS-13/4, was at about the average age for this class and slightly above average in grade. Although formal grades are not given to graduates of the SOC, it was the consensus of DTS staff instructors involved in SOC #2/76 that Mr. Piccolo would almost certainly rank number one in this particular group. Bringing to the class broad operational experience and understanding, Mr. Piccolo was an active participant in the six-day [redacted] and made contributions based on his own operational past. The tradecraft instructors who conducted the live problem [redacted] described Mr. Piccolo as the best student in street tradecraft. One of the Course Coordinators commented that Mr. Piccolo, "exhibited, more than any of the others, the ability to lead the group." Mr. Piccolo's term paper on the subject [redacted] was careful and thorough and was described by the panel as "an excellent overall plan." To a man of Mr. Piccolo's experience, at least some of the course may have seemed a little basic or redundant, but he never let it show, and always took part with the same enthusiasm as the more junior members of the class.

5. A copy of this memorandum is being placed in Mr. Piccolo's official personnel file.

6. PREFERENCE FOR NEXT ASSIGNMENT

5A. DESCRIBE BRIEFLY THE TYPE OF WORK YOU WOULD PREFER FOR NEXT ASSIGNMENT.
 I am interested in remaining in the "managerial cone" and in obtaining a position that will give me increased responsibility as well as career growth through promotion. Based on my experience and performance as Acting Chief of Station [redacted] for two months in 1968, Deputy Chief of Base [redacted] for the last 10 months of my tour in 1972-73 and present assignment as Deputy Chief of Station [redacted] I request assignment to a position which entails supervision of several employees and requires exercise of managerial skills and judgement. If assigned to another tour overseas, a position as Deputy Chief of Station in a medium to large size Station would be preferred. If assigned to Headquarters, I would like to work where an overview of the related operational and managerial activities can be experienced. If the above assignments are not available, a tour which would broaden my operational knowledge would be desired, i.e. SB Division, Ops activity or OTS.

- 6B. INDICATE IF YOU DESIRE TO EXTEND YOUR CURRENT TOUR BY CHECKING IN APPROPRIATE BOX. ALSO INDICATE PREFERENCE FOR NEXT REGULAR ASSIGNMENT BY INSERTING 1, 2, 3 OR 4 (for 1st, 2nd, 3rd and 4th choice) IN REMAINING BOXES. COMPLETE ALL ALTERNATE CHOICES AND OPTIONS IN ALL CASES EVEN THOUGH YOU ARE REQUESTING AN EXTENSION OF YOUR TOUR.
- EXTEND TOUR 3 MONTHS AT CURRENT STATION TO 5 January 1976 (DATE)
 - BE ASSIGNED TO HEADQUARTERS FOR A TOUR OF DUTY; INDICATE YOUR CHOICE OF DIVISION, STAFF OR OFFICE.
 1ST CHOICE FI STAFF 2ND CHOICE SB Division 3RD CHOICE WH Division
 - BE ASSIGNED TO ANOTHER FIELD STATION; INDICATE CHOICE OF GEOGRAPHIC AREA OR SPECIALIZATION.

 - RETURN TO MY CURRENT STATION.

PREPARE UPDATING OF PERSONAL SECURITY INFORMATION IN ACCORDANCE WITH DOI-F 240-B AND FORWARD UNDER SEPARATE COVER. INDICATE DATE FORWARDED OR TO BE FORWARDED.

TO BE COMPLETED BY FIELD STATION

7. IN CONSIDERATION OF THE EXPERIENCE AND PERFORMANCE OF THE EMPLOYEE AND HIS PREFERENCE FOR NEXT ASSIGNMENT, INDICATE YOUR RECOMMENDATION FOR HIS NEXT ASSIGNMENT AND TRAINING:
 Given his steady, reliable and productive performance, every effort should be made to accommodate his expressed preferences. There can be no doubt that by temperament and experience he would be of greater value to the Organization in the field rather than at Headquarters, but a tour at Headquarters does appear timely now, following the past 5 years in the field. I do not honestly know how he will perform in Staff work, being a Field Station activist, but the experience should have a further broadening effect upon him.

TO BE COMPLETED BY APPROPRIATE HEADQUARTERS OFFICE

8. IN CONSIDERATION OF THE EXPERIENCE AND PERFORMANCE OF THE EMPLOYEE, HIS PREFERENCE FOR NEXT ASSIGNMENT, AND THE STAFFING REQUIREMENTS OF YOUR COMPONENT, INDICATE YOUR COMPONENT'S RECOMMENDATION FOR HIS NEXT ASSIGNMENT AND TRAINING.

Deputy Chief of Station of a small Station or Senior FI Officer position with supervisory responsibilities at a large Station. These choices for next assignment are made on the basis of the increasing responsibility of positions I have held as my career has developed. This career has included experience in most types of FI and CI operations as well as some CA activities. It has also provided me with supervisory experience, including Acting Chief of Station for a two month period. Assignment to a position of greater responsibility is desirable for the continued development of my career.

IN CONSIDERATION OF THE EXPERIENCE AND PERFORMANCE OF THE EMPLOYEE AND HIS PREFERENCE FOR NEXT ASSIGNMENT, INDICATE YOUR RECOMMENDATION FOR HIS NEXT ASSIGNMENT AND TRAINING:

COB Comment: I recommend that Subject's desire for a 12-month extension be honored. His other choices also appear sound as alternatives.

COS Comment: COS strongly recommends that Subject extend for one year. He is handling an extremely important agent, and we would hate to change this relationship now. After one year, however, Subject's career would best be served by a new assignment.

STANDARD FORM No. 170-1
MAY 1962
GSA GEN. REG. NO. 27
USE PREVIOUS EDITIONS
(7-61)

INSTRUCTIONS TO EMPLOYING AGENCY

1. **Who must file.**—All employees not excluded by law or regulation from insurance coverage, including those who have previously waived coverage, are required to complete and file Standard Form 176-T. Employees who are in the service on February 14, 1968, as well as those who are appointed after that date but before April 14, 1968, must file the form.
2. **Automatic cancellation of previously filed waivers.**—All "Waivers of Life Insurance Coverage" (SF 53) on file are automatically canceled as of the first day of the first pay period beginning on or after February 14, 1968. Payroll offices are to begin regular insurance deductions on the automatic cancellation date for employees who do not file a new waiver, i.e., those who do not check box C of SF 176-T, on or before that date.
3. **Employees failing to file.**—If an employee does not return a completed SF 176-T, contact him and urge him to do so even if he does not want optional insurance (he will, of course, be automatically covered for regular insurance). If he still fails to file SF 176-T by April 14, 1968, or 31 days after appointment, whichever is later, file one for him as of that date: mark box B, and note in the space provided for his signature "employee contacted—failed to elect optional insurance." See note 2 below.
4. **Review of completed forms.**—(a) Review both copies of the SF 176-T for legibility, completeness, and consistency. Reconcile with the employee any obvious major discrepancy such as a mark in more than one box.
(b) If the employee marked box A or box C, make sure the Statistical Stub is complete. Then detach and mail stubs, in a bundle, weekly to:
Office of Federal Employees' Group Life Insurance
(Statistical Study)
4 East 24th Street
New York, New York 10010
(c) If the employee marked box B, detach and destroy the stub.
5. **Date of receipt and effective date.**—(a) Stamp date of receipt by employing office in the space provided for this purpose on both the Original and the Duplicate.
(b) The effective date is determined from the table below.
6. **Disposition of forms.**—(a) File the Original SF 176-T in the official personnel folder in all cases.
(b) Any necessary payroll change, with effective date, may be posted in the space reserved on the Duplicate for employing office.
(c) The Duplicate may be destroyed, if no payroll action is required, or after the requirements of the agency's payroll system have been met.
7. **Use of SF 176-T.**—SF 176-T "Election, Declination, or Waiver of Life Insurance Coverage" should not be used after the initial filing period (after April 14, 1968). A revised edition will be available for use after that date.

TABLE OF EFFECTIVE DATES

DATE SF 176-T RECEIVED BY EMPLOYING OFFICE	EMPLOYEE'S DECISION	EFFECTIVE DATE (IF NO WAIVER SF 53, IN EFFECT)	
		OF DECISION	OF DEDUCTIONS
On or before February 14, 1968.	Elects optional (in addition to regular) (box A).	Coverage effective February 14, 1968	Deductions begin 1st day of 1st pay period beginning on or after February 14, 1968
	Declines optional (but not regular) (box B).	Declination effective February 14, 1968.	
	Waives regular (so ineligible for optional) (box C).	Waiver effective last day of pay period in which February 14, 1968 falls.	Deductions stop last day of pay period in which February 14, 1968 falls.
After February 14 but not later than April 14, 1968.	Elects optional (in addition to regular) (box A).	Coverage effective on date of receipt	Deductions begin 1st day of 1st pay period beginning on or after date of receipt
	Declines optional (but not regular) (box B).	Declination effective on date of receipt, but employee loses automatic optional protection on February 14, 1968	
	Cancels previously elected optional (but not regular) (box B)	Cancellation effective last day of pay period in which received	Deductions for optional stop last day of pay period in which received
	Waives regular (so ineligible for optional) (box C)	Waiver effective last day of pay period in which received	Deductions stop last day of pay period in which received

- NOTES**
- 1 Because regular insurance coverage and deductions are automatic unless waived (by checking box C) A and B elections do not affect regular insurance effective dates.
 - 2 An employee for whom the agency files SF 176-T because he failed to file is deemed to have declined optional but not regular insurance.
 - 3 An employee with an unexpired waiver (SF 53) on file cannot be insured any earlier than the first day he is in duty and pay starts in a pay period beginning on or after February 14, 1968. Filing of an SF 176-T before that date will not cancel an SF 53 any earlier. Deductions begin the day he becomes insured.
 - 4 The effective date of regular (and optional) insurance coverage for an employee who has been on leave without pay for more than 1 year is the first pay he is in duty and duty status. Deductions are effective the same day.

To date, I have worked in operational activities of primarily CI and FI orientation with a greater emphasis on the former. In order to round out my early career stage as an operations officer, an assignment with more CA orientation would be beneficial.

If available, my grade not withstanding, an assignment as supervisor of a section or as Chief of Base would be desirable in preparation for the eventual assumption of duties with higher responsibility in the future.

11B. INDICATE IF YOU DESIRE TO EXTEND YOUR CURRENT TOUR BY CHECKING IN APPROPRIATE BOX. ALSO INDICATE PREFERENCE FOR NEXT REGULAR ASSIGNMENT BY INSERTING 1, 2, & 3 (for 1st, 2nd, and 3rd choice) IN REMAINING BOXES. It is recommended, primarily because of problems of health (at the high altitude in this post) that this officer be allowed one of the choices he has listed under 11 B. The departure of this officer will mean a loss to the operational capacity of his Section; and it is with regret that Chief of Station, Mexico City concurs with his request for re-assignment.

NOTICE OF CONVERSION PRIVILEGE
Federal Employees' Group Life Insurance Act of 1954

An employee is entitled to convert to an individual policy when his group insurance terminates because of separation from an agency, transfer or appointment to a group excluded by law or regulation from insurance coverage, expiration of 12 continuous months in a nonpay status, or entry into the military service of the United States and acquisition of coverage under the Servicemen's Indemnity Act of 1951.

An employee whose group insurance terminates as indicated above may, under provisions set forth in his Certificate of Group Insurance, purchase an individual policy of life insurance without medical examination. The individual policy may be in an amount not exceeding the employee's group life insurance and will be issued at rates applicable to the type of policy purchased and to his current age and class of risk.

If you are entitled to convert group life insurance to an individual policy and wish to exercise this privilege, you must:

1. Ask the agency identified in the block below to give you a completed Agency Certification of Insurance Status, and
2. Follow the instructions printed on the Agency Certification of Insurance Status, and mail it to the Office of Federal Employees' Group Life Insurance, 330 Fourth Avenue, New York 10, N. Y. That office will promptly mail to you detailed information on how to apply for conversion.

IMPORTANT

THE TIME IN WHICH AN EMPLOYEE MAY CONVERT IS LIMITED. THE COMPLETED "AGENCY CERTIFICATION OF INSURANCE STATUS" (NOT THIS FORM) MUST BE MAILED TO THE OFFICE OF FEDERAL EMPLOYEES' GROUP LIFE INSURANCE WITHIN 31 DAYS AFTER YOUR GROUP INSURANCE TERMINATES, OR WITHIN 15 DAYS AFTER THE DATE OF THIS NOTICE, WHICHEVER BASIS GIVES YOU THE MOST TIME.

UNDER CERTAIN CONDITIONS, LIFE INSURANCE IS PAYABLE IF DEATH OCCURS WITHIN 31 DAYS AFTER AN EMPLOYEE'S GROUP INSURANCE TERMINATES, EVEN THOUGH HE HAS NOT APPLIED FOR CONVERSION. IF DEATH OCCURS WITHIN THIS PERIOD FURTHER INFORMATION CONCERNING POSSIBLE BENEFITS MAY BE OBTAINED FROM THE AGENCY NAMED BELOW.

Mr. Joseph S. Piccolo
