**Subject:** Draft Federal Register Notice

I've done a revision to the draft guidance discussed by the Board yesterday and put it into standard Federal Register format. It's on the "g" drive, and called "deffinal.wpd" -- you can print it out or read it on-screen. Please review it and give me your comments or suggestions for revisions (either by marking up a draft or sending me e-mail, whichever is easier). Phil, please also check your notes to see that I've included all the editorial changes the board requested. As we'd like to get this out ASAP, the sooner you can give me your comments the better. Thanks!
