We are moving closer to some type of public meeting/hearing in Boston at which we may want some solid witnesses to testify about records. We had discussed a short list of Trask, Melanson, Dick Russell, and Priscilla McMillan as possible candidates. Please advise me if you can think of any other people in the Boston area who we may want to hear from. It is not necessary to solicit any thoughts from people outside of the office at this point; we are not that far along -- yet. However, I would like to hear any thoughts that you have. Thanks.
