Subject: Obtaining copy of Federal Register notice on Wed. am

We should obtain a copy of the officially printed Federal Register notice as soon as possible tomorrow morning. There are three options I can think of : (1) send someone to the nearest GPO bookstore to buy a copy of tomorrow's Federal Register (I think they open at 8am but I don't know the address of the nearest one); (2) have someone from our staff go over to the Federal Register's office on North Capitol to photocopy our section [the citations is "36 CFR 1400"] (their offices open at 8:45 am); or (3) find someone in the building or elsewhere who gets a copy so we can photocopy theirs. I should be in around 9 am as usual, but if you all want to go ahead and make arrangements that's fine with me. The address and main phone number for the Federal Register's office is on the agency contacts database under "Office of Federal Register". Thanks!
