**Subject:** Public comments coming in now through March 10  
I expect we'll get more comments the next few days that Tom needs for his file, Val needs for the public reading room file, and I'll need for the official record file. David should have a copy as well. Could whoever does the mail (I'm assuming its one of you) make sure we all have copies, and also monitor the fax machine and alert the temp at the front desk that there may be walk-ins or couriers? Thanks!
