Subject: Jack's Piece for COPA

Please disregard earlier "misfire" on this memo. I have attached, (I hope), Jack's piece for the next COPA newsletter. This is short notice, but John Judge needs it tomorrow to get it in. Please advise me if it is a "go." I have not provided Jack with a copy, but given the short turn around and because he is away, I thought we could get it to Judge since there is nothing controversial about it. Jack has not made changes in the past.

Body: Please advise. Thanks.
