Subject:　　　　Boston FYI

Body:　　　　There is a shuttle from the airport to the hotel that costs $8.00 and makes 4 or 5 stops. The shuttle is located outside at the airport and will have a sign that reads City Transportation. However, the bellman suggested taking a taxi (takes 1/2 the time) if there is more than 1 traveller.A cab to the library will be no more than $10 (he thought), but cabs in Boston are metered so everything depends on traffic.The shuttle back to the airport picks up at the front of the hotel every 1/2 hour at 5 and 35 after the hour.
