-----Okay, we in  
the CIA room have snapped. We've decided to fill our time with the following hypothesis:Oliver Stone is  
making ARRB, the "true story" of the Review Board. Open casting is currently going on. Who plays whom? Our  
decisions so far... Paul Reiser.... Eric ScheinkopfKelsey Grammer..... T. Jeremy Gunn Meryl Streep..... Sheryl  
WalterTom Skerritt..... David MarwellWe are entertaining further suggestions, so if you feel so inspired, please  
help us.
