**Subject:** Public testimony on proposed regs

Help, please! I'm drafting new supplemental information for the final version of the interpretive regs, and I'm trying to piece together the dates the board heard public testimony on aspects of the regs. At the December 14 meeting where Miriam Nisbet testified, did Lesar testify also? I know we had testimony at the March 7 meeting. Did we do anything public in between? My calendar notes are sketchy. Would you count the Boston meeting as testimony on the definition or as records identification testimony (I tend to think the latter).

**Body:** Anything else you may be able to add would be helpful. Thanks!
