Subject: transcribing classified materials

I wasn't sure who was writing the memo to the Board on taping/transcribing all meetings but I found out a little info...Ann Riley & Associates (our regular transcribing service) used to handle the Nuclear Regulatory Commission contract and had 2 transcribers with Q clearances. They would be able to clear transcribers for us is we decide this is how we want to handle it. The cost would be the same as our regular service -- \$4.50 per page w/ transcriber, \$4.00 per page if we send them a tape recording. (Our public meeting in Boston was \$564, the March 7th meeting was \$369, Dallas was \$788 for comparison.)Let me know if you need more info.
