**Subject:** Presentation to Bronx High School of Science Students; 5/24/95, 10:30 a.m.

I spoke with Ms. Mary Villani today regarding the request for a presentation from us on the Review Board. Although they are specifically interested in the medical aspect of the case, she thinks it is important for the students to know about the Review Board and the files being opened up. Tilley had arranged for the students to hear his presentation from 10:30 a.m. to 12:00 noon on Wednesday, May 24th at the Archives. He will yield 15 minutes to us for our presentation during that time frame. Please mark this on your calendar and advise me if you want me to do anything in connection with this matter, including making the presentation myself.
