**Subject:** News Release on Final Definition Guidance

On the day that the final definition guidance will be in the Federal Register, I would like to do a news release. Although we did a similar one upon the publication of the draft definition guidance, this is another opportunity to get our name out there. Given the possibility that I may be away when the definition guidance is in the Federal Register, I wanted to have it ready to go. I have attached a copy for your review. Eileen can get it around for us at the appropriate time. Please advise me if it is okay with you. Thanks.
