**Subject:** Lyon Garrison  
FYI - I called Lyon this morning and spoke to his secretary Nancy. He is out of town on vacation until the end of the week (he missed telling us that) but she expects he'll call in and she'll give him the message I left, which is that we hope he's had a chance to remove his father's personal papers from the Clay Shaw files and will be ready to provide the records to the Board when they are in town on 6/28, preferably by appearing at the hearing. I asked him to call at his earliest convenience and to ask for you if I am not available. I left the same message on his home answering machine.
