I don't need to do the financial disclosure.To: Jeremy Gunn/ARRBcc: From: Dennis Quinn/ARRBDate: 06/23/95 02:06:47 PMSubject: Re: Financial DisclosureNo. Tom and David need to file their annual report because they started working here before November 1 of last year. Since you served less than 60 days during 1994, the entry report you filed last January is sufficient. Your next annual/incumbant report is due on or before May 15, 1996. I will start reminding all the senior staff about this in March, if not earlier. Is this correct? Do you have a form for me to fill out?
