**Subject:** Coffee pot

During the week (Mon-Thurs) I turn the coffee burners off, and on Fridays I turn the coffee burners off and wash out the pots for the following week. These events all take place between the times of 4:50-5:00 p.m. If you wish to have coffee after 5:00 please do not turn the coffee burner back on just to warm up the pot. Suggestion : Simply place your cup into the microwave, it's quicker and safer. These duties were asked of me by Tracy.
