**Subject:** Dave Powers' JFK Assassination Day Photo in August 1995 Life Magazine  
I have put a copy of this Life article which includes photos from Dave Powers' personal collection in your "in" bin. I would request that discussion of contacting Powers now be given even higher priority. This is the first time I have ever seen one of the photos he took from the motorcade published. I believe that it would be perfectly appropriate for the ARRB to contact Powers and open a dialogue about getting his photos/film into the Collection.
