Subject: New Orleans

We spoke briefly about some of the private sector follow-up work still to be done for records in N.O. You mentioned Cynthia & Lyon. What exactly did each of them tell you they still had, or might have, and when/what is the last conversation you had with each. I'll pick up with each of them but first want to know where we're at. Also - are you aware of any other N.O. records leads I should be working on (other than Barbara Reid)? Thanks.
