Subject: Contact for Dealey Plaza Dimensions, Etc.

As I mentioned in our meeting this afternoon, I had contact with Dales Myers, 9602 Hartel, Livonia, Michigan 48150, regarding a computer reenactment of the assassination video which he is developing. I regret that I do not have his telephone number. As we discussed, he may be willing to share some of the "raw" data which he acquired having to do with Dealey Plaza, the Texas School Book Depository, and other relevant information. When you contact him, you may mention that he and I spoke several weeks ago after Gary Mack had given me his name. I'm not sure whether he will be helpful, but it is worth a try.
