**Subject:** More records from Lyon Garrison/copying records

I spoke with Lyon this morning. He agreed to make the balance of his father's records available to the Collection. I will arrange to pick them up from him during my trip next week. He re-iterated his earlier request to Tom that we make a copy of his father's complete records for the Garrison family. I told him we would do this and would ship the records to him. Please see my Call Report at Gum Shoe Issue 8, today's date for his address and specifics. Tracy - do I need to do anything to get the records copied, or will you handle that?
