Subject: Medical Stuff

1. Aguilar -- Tom gave me a copy of this yesterday (so now the Warren Commission was right, but the HSCA was part of the conspiracy?) 2. Part 2 of the Petition -- I have reviewed and made copies of about half of the requested documents, I should have all of them by tomorrow. Many of the documents marked "referred" in our database, are marked "open" on the RIFS attached to the Archives copy. My goal is to give you/and or Tom a complete set of these documents prior to the COPA Conference and next week's Board meeting. 3. "Missing" Medical Statements from Parkland -- I am finishing up a memo dealing with this subject--should have it done today. This addresses issues raised in Kathleen Cunningham's recent letter. I do not think Ms.

Body: Cunningham will agree with my conclusion.
