Just a test - are you online yet? I'm co-editor of Probe with Jim DiEugenio, and quite active on the 'net here. If you ever need something posted, or have any questions about internet activities, feel free to send something to me and I'll do what I can to help. :)Lisa Pease ----------- If we will not fight for the truth now - when our President hasbeen shot down in the streets and his murderers remain untouched byjustice - it is not likely that
