**Subject:** Educational Documentary-Cuban Missile Crisis  
ABC T.V.'s 1992 in-depth, 2-hour documentary on the Cuban Missile Crisis will be shown in the conference room today and tomorrow commencing at 12 o'clock sharp. We have to start on time, in order to finish it during two consecutive lunch hours. This documentary is superior by far, in both content and drama, to both of the docudramas which appeared on T.V. in 1973, and 1983. As good as they were, this is better. Many interviews with people like McNamara, Bundy, Dillon, Salinger, Sorensen, and the sons of Kruschev and Mikoyan make this outstanding. Food, fun, and you might even learn something. (Bring your own food...I don't have any.)
