**Subject:** Possible Suggestions Re: Zapruder...

I would appreciate any suggestions you may have re: the original Zapruder film housed at Archives II...I will be monitoring an official evaluation by NARA staff at the end of the week and wish to address all pertinent avenues of questioning while we examine the film...Thanks!!! Please see the following for background:CALL REPORTIssue # 41Document's Author: Dave Montague/ARRB Date Created: 12/04/95 The Players Description of the Call Date: 12/04/95Subject: Attempt To Confirm 12/07/95 or 12/08/95 For Evaluation Of Original Zapruder & Master Nix Films Housed At Archives IISummary of the Call: ARRB staff decided that an official authentication process is in order while the Review Board is operational. This will provide a clear picture of the type of assassination record in the Collection. I called Alan Lewis of NARA's Motion Picture Branch today regarding the authentication of the Original Zapruder film housed at Archives II. I left a message on Lewis' voice-mail in an attempt to confirm the scheduled evaluations of the films. Lewis has tentatively arranged a testing of the Nix and Zapruder films housed at Archives II on either 12/07/95 or 12/08/95.
