**Subject:** Call From Gary Mack  
Gary Mack called today because Dallas was "buzzing" that Jeremy Gunn was in town talking to people. He wanted to know if they were on the list and who Jeremy was talking to on this trip. I told him that they were not on the list and I was not at liberty to say to whom Jeremy was talking. Mack said that if there was anything they could do while Jeremy was in Dallas, perhaps they could at least have lunch. I told Mack that I thought Jeremy was wrapping things up today, but there surely would be other staff trips to Dallas. Mack's call is probably additional reason for a meeting or telephone call with him to talk about the Board's interests and mandate and the Museum's interests.
