Subject: Five FBI Swiss Documents

I have left a copy of a draft news release in your "in" box. I plan on putting it out on Thursday. I left messages for Steve Tilley and Susan Cooper last week. Neither had called back. Cooper's assistant said that she didn't think Susan would want to do an Archives advisory in advance of our release because of the small number of documents. I haven't heard from Steve, but I am assuming it is okay with him. We will make the copies he needs and also have them available at our office. Please advise. Thanks.
