Subject: Dr. Humes
I just spoke with Dr. Humes. He still is not enthusiastic about having his deposition taken, but he is coming around. He thinks he may want to have i during the week of January 8 (as originally noticed) rather than the first week in March, as I proposed to him over the phone. He promised to call me back in the next day or two. I assured him that we wish to be accommodating about the date. He is willing to come to D.C.
