Kennedy and have been advised by Gary Aguilar who is active on the Compuserve Journalists Forum that you may be able to assist with information relating to the Warren Report.I am particularly interested in two individuals who testified to the Assassinations Records Review Board namely David Slawson and William Coleman.Can you provide any information with regard to the above matters either by e-mail or by Fax.Is there any charge which I would incur for say a copy of the transcript of the board's findings.I would appreciate you getting back to me on this.Regards,-- Hugh O'Hare
