Thomas Samoluk, Assassinations Records Review Board
Dear Mr. Samoluk, I refer to your news release of December 20, 1995, concerning the release by the Board of 37 FBI documents, 197 CIA documents, and 95 pages of the so-called Lopez Report (NARA #180-10110-10484). I possess a Final Determination Notification dated December 11, 1995, for the 95 Lopez Report pages. I also have the documents in question, but no Final Determination Notifications for the 37 FBI documents and 197 CIA documents. If there were such Final Determination Notifications, I would be happy to receive them, either by regular mail or by email. You have been kind enough to send me regular copies of your news releases in the past. If it is easier for you to send them to me by email in future, that is fine with me. Through you I wish to thank the Board for the work it has been doing. With respect to my dissenting letter of November 7 to Chairman Tunheim on a specific point, I shall be communicating separately. Yours sincerely
Peter Dale Scott
