Call: I spoke with Lizza Matano of the Georgetown University Library Special Collections Division and was told
that they still maintain Sprague material. They have about 8 boxes of Sprague material some of which includes
photo material. I will be able to review all of the material but will need permission from Manuscript Librarian
Nicholas Scheetz if I wish to make copies of them. Anyone at the research desk will be able to provide me
access to the materials.The Division is located on Georgetown University's main campus and the closest metro
station is Rosslyn. I will try to find a parking spot on the street using meters or will need to park in the pay lot
on Prospect Street due to the lack of adequate parking. The parking company charges a flat rate of about \$12-
13 dollars for the day.I plan to visit on 01/30/96 in the afternoon to perform an accountability.Georgetown
