Subject: Re: Unreleased Draft HSCA Report

Mr. Samoluk, Thank you so much for your prompt response. I am pleased to hear that the HSCA draft final report is being reviewed. I would like to suggest that the board exercise its prerogative to have this document published by the GPO. So often it is hard to obtain copies of released files and reports. As I understand the legislation that created the ARRB, the board has the right to direct that certain documents of its choosing be published by the GPO for public use. Allow me to recommend that the board have the HSCA draft final report published in this manner. Thank you for your time. Mike Griffith > Michael T.
